SCHOOL CLOSURE EXTENDED THROUGH APRIL 17, 2020

March 19, 2020

Dear Magnolia School District Families,

The following is an important update regarding the Coronavirus, also known as COVID-19:

In order to continue our safety measures to prevent the potential spread of the Coronavirus, **all schools in the Magnolia School District will remain closed through April 17th.** If this date is extended we will contact you immediately.

We are working closely with multiple agencies including the California Department of Education, Orange County Department of Education, and the Orange County Health Care Agency to do everything we can to keep our students, staff and community safe.

Our schools and district office will not be open to the public during this time; however, parents can pick-up or drop off necessary materials and information during each school's designated hours or between 8:00 AM and 12:00 PM at the district office. We ask that you contact us during these hours by telephone.

We will continue to post information on our website so please check frequently for important updates.

We will continue to provide At Home Learning opportunities, and Grab and Go Meal services at all of our schools.

Sincerely,

Frank Donovan, Ed.D.
Superintendent
