Lincoln Junior High Do-
nuts with Dads

Elementary students enjoy “Breakfast in the Classroom”

Students at James Street Elementary and Coldspring Intermediate schools got a big surprise when they returned to school this year— free breakfast in the classroom. Not only that, but they’re going to get free lunch all year, too!

It’s all part of a program the JSE/CIS campuses qualified for under the National School Lunch Program and School Breakfast Program for the 2017-18 school year called the Community Eligibility Provision (CEP). Their qualification was based on the number of eligible free and reduced lunch applications that were completed by parents/guardians of students on these two campuses.

Lincoln Junior High and Coldspring-Oakhurst High School didn’t qualify for the program because they didn’t have enough of the applications.

“For some reason the applications just don’t get turned in as much for junior high and high school students,” said COCISD Child Nutrition Director Dawn Smith. “We hope to get enough in this year for those campuses to qualify as well.”

The applications may be completed throughout the year, and are available on the district website at www.cocisd.org under Departments > Child Nutrition, or on each campus.

JSE/CIS students enjoyed a special treat when they returned to school this year—free breakfast in the classroom!

Onalaska won 3-0

Golden Trojans—the unsung heroes of Trojan Nation

COCISD Community members over the age of 60 are among the greatest supporters of our student athletes. They are our “Golden Trojans.”

Loyal and supportive, these unsung heroes fill the stands with positivity and encouragement, giving a boost to kids who work so hard on the field of athletic competition.

For the second year in a row, we are proud to honor these loyal fans at The 2nd Annual Golden Trojan Reception and Fall Sport Preview.

Join us on Wednesday, Sept. 13, from 9 to 10 a.m. at the Jones campus for a sneak preview of the 2017 Fall sports season. Refreshments will be served.

**2nd Annual Golden Trojans
Reception and
2017 Fall Season Preview**

WHO: EVERYONE AGED 60 AND OVER

Creating
Opportunities

The vision of COCISD is Creating Opportunities for All!

Did you know?

- COCISD's territory covers over 400 square miles
- Ag Science is now offered to 8th graders
- COHS Asst. Principal Sean McCabe is a short story writer
- LJH Principal Todd White enjoys medieval weaponry
- There is interest in having a section of the Jones campus declared a historical landmark
- All of our campuses Met Standard this year
- Director of Student Success & Truancy S.B. Pierson is a former professional football player

When Disaster Strikes

How does a school district decide when to close or to delay start because of an impending storm or other disaster?

COCISD has an emergency plan that is activated any time there is the possibility of an event that could threaten the lives or safety of our staff and students.

Administrators monitor news reports, weather forecasts, road conditions and other information sources to make decisions as quickly as possible,

As soon as a decision is made, a chain of communication is initiated that filters down from administrators to team leaders to the staff and community via phone calls, emails, social media and website postings. The media is also contacted.

When a storm or other disaster is on the horizon, the COCISD emergency plan is activated. As soon as a decision is made, it is communicated district-wide via phone, email, news outlets, social media and website postings.
