

KERN VALLEY HIGH SCHOOL UPDATE

Status as of Thursday, March 19, 2020

General Information

I am so proud of the effort our teachers, students and staff are giving in this time of crisis. The Kern River Valley Community is amazing. We will pull together and get through this. I am so impressed by the dedication and compassion shown by bus drivers, security staff, cafeteria staff, teachers and our clerical staff.

Food Services

We plan to maintain meal service as long as we are allowed. At this time the last weekday meal service will be April 9. Daily pick-up at KVHS from 11-1. We are also delivering food along our bus routes. The schedule is available on websites and social media. Call 760-379-2611 if you need more information.

Instruction

Our teachers continue to post assignments on-line and provide learning packets. The front lobby of KVHS is open for families to pick-up learning packets from 7:30 to 1:30. Please bring in completed packets as soon as possible.

We are asking our teachers to provide the administration with a list of students who have not responded or completed any coursework. We will be calling and possibly visiting those families.

Non-Teaching Staff

All non-teaching staff report for duty as announced on our emergency staffing schedules.

Students

Thursday, March 19 – April 9

Do not report to school, unless it is necessary to access technology or materials. If you are having difficulty using technology or locating the coursework you need, please fill out the form below. We will try to clear up any of your concerns.

If you have any questions or concerns, please contact me, john_meyers@kernhigh.org

STUDENT WORK DISTRIBUTION CONCERNS

If your family is unable to access assignments due to a lack of internet connection or devices, please complete and return the following form:
