

# Let's ROCK!

April 8-12: Rock the Review  
April 15-22: 3rd-5th grade TCAP  
April 23-25: 2nd grade TCAP

Parents,

Next week we are going to ROCK the REVIEW and learn all about the ART of testing! We have worked extremely hard this year and are ready for our kids to ROCK their big tests! Our goal next week is to review skills, build each child's confidence, and get them excited to show off their skills on the tests. Please help make our week successful by having your child participate in the dress up days! There is no need to go buy anything new, just get creative with the clothes they already have. :) Thanks in advance for your help with this!

Thank you!  
WES TEAM

WILSON'S SCHOOL OF ROCK:

# Art of Testing
