PRINCIPAL'S MESSAGE

Dear Parents, Guardians and Elementary Students:

December is here! It is always so exciting to see the joy in the faces of students during the holiday season! As the holiday season approaches, please give your child the gift of extra time. When students are asked to write about a memorable event in their lives, it isn't a special gift they usually choose to write about, but a particular experience they have had with someone special.

Once your child returns in January, the school year will be half over. This is a great time to review the first part of the year and make plans for the next. Looking at your child's school attendance should be part of this important process. Strong attendance is one predictor of success in school!

We are so blessed here at VES to have the most amazing students and families. We wish you all the very best for your holiday celebrations!
