

2018 Summer Workshops at Haskell

We hope everyone is having a wonderful summer. Just a reminder: Haskell will be holding two week-long workshops in August before school begins. One is a STEM Camp where students can create and build using Robotics and Engineering, Graphic Design, Circuitry and more. The other is the 7th grade Math Camp which prepares incoming 7th graders for the rigors of Math class. Both are the week of August 13th thru the 17th here at Haskell. The STEM Camp is only \$100.00 for the week. There is no charge for the Math Camp. Please see the attached flyers for details. Hurry, there is limited space in both classes. Stop by the school for applications. The school office will be closing on July 13th.

$75\% = \frac{75}{100} = \frac{75}{100} \div \frac{25}{25} = \frac{3}{4}$

So, $75\% = \frac{3}{4}$
