Students are allowed to retake singing tests as many times as they would like as long as improvement is displayed each time by making arrangements with the teacher. It is the responsibility of the student to schedule and retake the test.
- b. **Assignments/homework:** All students are expected to submit completed homework as required by teacher. Optimal student learning happens only if work is done in a timely fashion. If it is not turned in on time a 10% penalty will be assessed each day for the first week. After a week, the assignment will be assessed with a 50% penalty.

c. Make-up work: **Daily grades can be made up with make-up practice time after school and/or by writing a critique of an article about music.** For each absence, students are to practice an extra hour (exception: if student is absent due to school activity.) ***Daily Participation points cannot be given if a student was not present to participate. Students should see Mr. Bell for appropriate make-up work.*** If a student misses an assignment, written test or performance, it is his/her responsibility to make arrangements with the teacher to complete the required work **within three days of returning.**

d. Extra credit: Extra credit can be given for various things. Extra time on practice recordings, attending concerts or music performances other than their own, performing approved solos in front of the class, and doing an approved report can all be considered for extra credit.

e. Performances: Each student is **required** to be at all performances in which his/her class is involved, including rehearsals outside of class time to prepare for the performances. Parents and/or guardians are highly encouraged to attend performances that their child is involved in. This is your child's chance to demonstrate all of his/her hard work and dedication in a concert setting!
