4:00 PM

Parents, Staff and Community,

I want to assure you that the health and safety of our school community is a top priority for the Gananda School District. Please understand that the Gananda District is under the direction of the Wayne County Department of health for COVID-19 school closures.

Guidance from NYSED, NYSDOH, CDC, the Governor, the President and Wayne County Department of Health is fluid. Yesterday the 25 Districts in our BOCES met to discuss NYS guidance on Covid-19 and school closures. Today I have been in constant communication with our Health Department representatives. Tomorrow I will be meeting with my fellow Superintendents and the Health Department to discuss the current situation and be advised of our next steps. Following that meeting, I will provide relevant updates to our school community.

Please remember that as of noon today there were **NO** confirmed cases in Wayne County.

Again, I want to assure you the health and safety of our school community is a top priority for Gananda.

Sincerely,
Shawn Van Scoy, Ed.D.
Superintendent of Schools
