

Troy Athens High School

Open House

September 12, 2018
6:30 P.M.

Dear Red Hawk Families,

On behalf of all staff, welcome to Athens' Open House.

Our mission is: ***Ensure learning today - Inspire learning tomorrow.***

Thank you for taking the time to be here tonight. You are a big part of why Athens is a great school.

Tonight is an excellent opportunity to meet our teachers and learn about the curriculum. Each class will last for ten minutes, followed by a five-minute passing time. Staff members and National Honor Society students are located throughout the building to assist you with directions and to answer questions about our school. Counselors and Administrators will be located near their offices and are happy to discuss your son or daughter's individual needs. If you wish to have an in-depth conversation with a specific teacher about your son or daughter's learning needs or progress, please email or call to arrange a date and time for a private conference.

To keep you informed, all progress reports and grade cards are communicated via your PowerSchool account. Important updates and reminders are on Schoology and will be emailed and covered in our monthly newsletter, which is posted on our web page (<http://athens.troy.k12.mi.us>). Please make certain that you have registered for both Schoology and PowerSchool. If you have not, please visit the main office; we are happy to assist in establishing your account. For parents who do not have access to technology, please leave your name in the Main Office, as well. We will call you when grade reports are available and either print a copy for your son or daughter to take home or retain a copy for you to pick up. Also, computers are available for your use in the Counseling Office 7:00 A.M. - 3:30 P.M. daily. Again, we thank all parents for supporting us with our increased use of technology. We also encourage all students to bring and use technology to further their learning and to create a positive digital footprint.

For those interested in becoming involved, our PTO and booster groups will be available in the cafeteria to talk and share what they do.

Wishing you an enjoyable and informative evening.
