## September

PYP Learner Profile of the Month **Balanced**- I actively work to balance my mind, health, and emotions. I work well in groups, as well as independently. I balance my activities to achieve the best in my life.

We have begun planning our field trips for the year. If you would like to volunteer as a chaperone please make sure you are cleared by the office. There is a packet of information that needs to be filled out and you need to be fingerprinted and TB tested. Due to the large number of volunteers, you may only get to ride the bus on one field trip.

**Please make sure to pick up Independent Study if your child is absent from school. This makes sure the absence is considered excused and helps his/her class earn rewards.**

**Quote of the Month:** "The more that you read, the more things you will know. The more you learn, the more places you'll go!" -- Dr. Seuss
