

Creating an AERIES Parent Portal Account

Albany Unified School District

Account Set-Up During Enrollment

- Accounts are automatically set-up during enrollment process
- E-mail account provided during enrollment = an e-mail from AERIES with the following:
 - Link to AERIES
 - Username
 - Temporary password
 - Instructions
- Follow those directions to create your Parent Portal account

Account Set-Up After Enrollment

- If you did not provide an e-mail address during enrollment, contact the school secretary who can update that information for you. Then follow the above instructions.
- If you provided an e-mail address at any point, but didn't receive instructions, check your Spam folder. If you need further assistance, contact the front office.
- If you already have an e-mail addressed linked to your student's account, but you don't recall the password, please reset your password by visiting <https://albanyusd.asp.aeries.net/student/LoginParent.aspx> and then click "Forgot password."
