SPECIAL SCHOOL BUS ASSIGNMENT

North Carolina Public School Law 115C-244 states that no pupil or employee shall be permitted to ride upon any bus to which such pupil or employee has not been assigned by the principal. Generally, a pupil is assigned to ride upon only one bus; this bus picks up and drops off the pupil at his/her residence. In order for a pupil to ride upon a bus other than his/her regularly assigned bus, a special assignment must be made by the principal; this assignment will be made only if the pupil will be riding upon the specially assigned bus on a regularly scheduled basis.
