

Saint Anne Weekly Bulletin

Week of September 17, 2018

Dear Parents,

It was so beautiful to see so many of you at the **Back to School Night**. Thank you for coming to receive the important information regarding your child's school year. What a great opportunity to begin the school year working together with our amazing faculty and staff. Partnering with your child's teacher can have a powerful impact. When you and your child's teacher have a good relationship and communicate regularly about your child's progress your child will have a much greater possibility of growing academically. If children know that education is important to their parents and are on the same 'page' as the school, children will grow in confidence and try much harder to succeed.

Please remember to do **YOUR HOMEWORK as parents**:

- 1) **Share your FAITH** with your children by attending Mass together and praying as a family
- 2) **Ask your child** each day how the day went at school
- 3) **Read the bulletins** that come home and **check your child's homework**

The other meeting required for your child to participate in the **Pali Outdoor Education** experience is tonight, at 7:00 pm in the Art Room. (You need to attend only one meeting) We want to thank in a very special way, Mrs. Regina Ruiz, for giving Sister Teresa the information to write the grant for \$25,000 so that all of our 6th, 7th, and 8th grade students could attend this year. It will be an unforgettable experience.

Our **sports teams begin their season this week**. St. Joseph School will play a game today with our Girls A Volleyball Team. The B Volleyball Team also have a game on Monday against St. Joseph at Saint Anne's. On Monday the Boys A Football Team plays School of Our Lady at St. Jeanne. We thank Mrs. Price and all of our coaches who work so hard to have our students prepared to do their best. Good luck! **HAVE A WONDERFUL WEEK!**

God bless, Sr. Teresa
