## Shop for Books

1. When you login, you should already see all of your courses. If not, click on MY COURSES from the menu items. This will take you to a page with a list of the courses and assigned materials that have been pre-loaded.
2. If you don't have any courses pre-loaded or you just want to look up additional courses, choose SEARCH COURSES. Then search each of your courses by Course Name or, if you don't have your course list yet, clicking "Search" with an empty search field will generate full list of your school's courses. Select each course to view the assigned materials.
3. Add items from each course to your cart one-at-a-time by selecting ADD TO CART or as a group by choosing ADD SELECTED ITEMS TO CART.
4. Once you're done shopping, navigate to the shopping cart by selecting the SHOPPING CART button in the upper right portion of the screen. If you've received a credit from selling back your books, the amount will appear in the upper right of the cart page and will be accounted for in your order total.
5. After reviewing the details of your cart, select CHECKOUT.
6. Complete shipping contact and address and select a delivery method. Most orders shipped ground to addresses in the Northeast will arrive within one business day following processing.

7. On the next page, review the details of your order and choose a payment method, filling-in the appropriate fields. Once you are confident in your order, select to CONFIRM PURCHASE.
8. A confirmation page will be displayed for the order and emailed to you. Please make note of your Order Number.

**We look forward to serving you!**  
**Thank you for your business.**
