Cheer Purse Drive
The Sacred Heart Cheerleading Team is collecting gently used purses to donate to the PUNT foundation. The PUNT foundation is an amazing organization founded by retired Bills punter Brian Moorman. Moorman began this organization with his wife directed towards helping the children in WNY who suffer from pediatric cancer. Any donation is greatly appreciated by the SHA cheerleaders and will be going to help those affected by childhood cancer in our very own town! Everyday purses, wristlets, tote bags and designer bags can be brought to the main office or the donation box outside Room 104. The last day to turn them in at SHA is February 14th. Thank you in advance!

Book Drive!
Parents and faculty of SHA,
My name is Paige Duggan and this year, as a sophomore at Sacred Heart, I joined a program called Youth Leadership Buffalo. Through the program I am partnering with For Every Little Handprint to help them launch their literacy program. I will be holding a book drive at Sacred Heart from now until February 28. I am hoping to collect gently used or new books that are below a fifth grade reading level, which will be dispersed to less fortunate children throughout Buffalo. In my time at SHA I have noticed the consistent effort to give back to the community, and was hoping this would help me in my collections. Books can be dropped off at the school. Thank you in advance!
SHA will be holding a SAT Prep Course for our students. The course will begin Saturday, February 8, 2020 with a baseline practice exam and an additional practice exam on Saturday, March 14 to allow girls to track their improvement. The course instruction will run on Mondays and Thursdays from 3:30-5:45 for select weeks in February and March (see schedule below). The course is designed to prepare students for the March 25, 2020 in-school, official SAT for which all SHA juniors have been registered. The cost will be $350, which includes the cost of the Official SAT Guide book that will serve as the student’s workbook. If the cost of the course is a burden, please contact our finance office to inquire about available financial aid.

The instructors this year are both well-known to our SHA community. The ELA section will be taught by Ms. Kate Posenjak, an English teacher here at SHA. The Math section will be taught by Mrs. Jessica Emerling, (formerly Jessica Thrush), a former math teacher at SHA. I am excited to have such talented instructors for our girls.

If you would like to reserve a spot in the course, please use the link below to register. If you would like to discuss financial aid, please contact the finance office. Please note to keep class size reasonable for instruction, enrollment will be capped. Please register early to avoid disappointment. Registration will close on January 27, 2020.

The SAT exam is extremely important for college admissions and scholarships. I encourage you to make sure your daughter engages in some type of preparation for this exam, whether it is through the program we are offering or some other test prep program.

Practice Exams - Saturday, February 8 & March 14, 8 am-12 Noon
Prep Course Instruction - Mondays & Thursdays, February 24, 27, March 2, 5, 9, 12, 16 & 19, 3:30-5:45 pm
Official In-School SAT - Wednesday, March 25 from 8 am- 12 Noon
