July 27, 2018

## Happy New Year!

Welcome to a brand new school year and to our new newsletter format! We've included less words and more links so the information is easy to spot on a small screen. Don't forget to check out the "Back to School" info below - all the start of school dates are there!

We are very excited about the 2018-19 school year and being part of the growth and formation of our Christian Scholars! Enrollment is way up and families are still enrolling. We look forward to new faces in our St. Theresa School family.

The week of August 12, watch for my annual state of the school video presentation in your email. Be sure you watch it before the Preschool Parent Night (August 16) and Curriculum Night (August 20) as it will contain all the latest information about the school and the 2018-19 school year.

We look forward to seeing everyone in a few weeks but until then, enjoy your summer!

## Medical Forms are Due August 21!

Just a reminder that all medical forms are due by Curriculum Night, Monday, August 20, in order for students to start school on Tuesday, August 21. Entering K and 6th please remember you need a new physical and updated immunizations in *before* school starts! Any questions - please **contact Mrs. Montrie!**
