HONOLULU, HAWAII 96816-3099

April 18, 2019

Aloha Palolo Elementary Students and Families,

We are fortunate and excited to have our new playground between the cafe and Building B. We hope that students are able to play, exercise, explore, and have fun on our new playground. The playground is approved by the Department of Education and meets all safety requirements for students ages 5-12. Please understand that the playground is **only open to students under the supervision of trained school personnel**. No Trespassing signs have been posted for the playground. This is for the safety of our students, families, and our community.

**No one is allowed on the playground before or after school hours without school personnel.**

We have confidence that our students, families, and the community will treat this new playground with respect and take good care of it. The playground is here for our students' enjoyment. It promotes play, problem solving, social interactions, and exercise. Please discuss with your children and fellow community members to treat the new playground appropriately. Please report to the school if you see any misuse or vandalism to the playground at (808) 733-4700.

Thank you for being great partners in our students' education.

If you have any questions or concerns, please contact the school at (808) 733-4700.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Harada".

Gary Harada

Principal

Palolo Elementary School
