

Dear Families of our Fifth Grade Students,

The yearbook staff would like to offer you the opportunity to purchase a dedication for your fifth grade student. You can purchase a dedication, no more than 20 words (excluding "I", "a" and "the"), in the yearbook wishing your student good luck, telling them congratulations, or just saying I love you! Dedications will include your student's first and last name as well as who it is from. You can purchase as many as you like, so share with grandparents, aunts, uncles and anyone else who may want to recognize your child. A picture may be included, but please limit to one picture per child. If you choose to add a picture to your dedication, the original digital picture will work best (phone pictures may not do as well as they turn out blurry at times). Please email these to: katherineduncan@davidson.k12.nc.us. If you have a picture and can scan it, please send that to the email address above as well. All other pictures can be sent in with the dedication. Make sure you put your child's name and teacher name on the back so they can be returned to you.

The dedications will be \$10 each, this will include the picture and the dedication. Please fill out the attached form and payment (if sending a check, make the check payable to Churchland Elementary) and put it in a sealed envelope with Attention: Katie Jo Duncan on the front. These will be due by February 15, 2019. No late submissions will be accepted due to our deadline.

Thank you for all you do!

Thank you,
Yearbook Staff
