

# FIKE AFJROTC RESERVE PROGRAM MEMBERSHIP AGREEMENT

NAME: \_\_\_\_\_  
Last Name, First Name

**1. FORWARD:** The Fike AFJROTC Reserve Program provides an opportunity for cadets who are enrolled in an AFJROTC course during one semester of an academic year but not the other to maintain full affiliation with AFJROTC throughout the year. Cadets in the reserve program may participate in all extracurricular activities of the AFJROTC program, including drill team, staff positions, field trips, dining-in, military ball, etc., as long as the requirements of this agreement are met. In addition, cadets in the Reserve Program are also permitted to retain their cadet rank from active status, hold positions on the cadet staff, take/pass one promotion test, and attend CLC (if selected). In order for a cadet to be admitted into the Reserve Program, they must complete the Reserve Contract and belong to one of the following AFJROTC special teams: Drill Team, Color Guard Team, Marksmanship Team, Raider Team, Multicopter Team, or Kitty Hawk Honor Society (KHAS). Due to uniform wear requirements, cadets on the Drill Team and Color Guard Team are **REQUIRED** to participate in the Reserve Program in order to be on the team. It's optional for all other special team members however they may not participate in AFJROTC activities without Reserve membership. KHAS members who do not wish to participate in the Reserve Program will be considered "inactive" during this period however they retain program membership and are not required to repledge the program the following school year. During the inactive period, KHAS members are not eligible to participate in KHAS events or run for an officer position.

**2. UNDERSTANDING:** It must be understood that **participation in the AFJROTC Reserve Program does not commit or obligate any student to military service.** Nor does participation guarantee special consideration if a student chooses to enter military service. **NO ACADEMIC OR MILITARY CREDIT WILL BE GIVEN FOR PARTICIPATION.** Cadets who successfully meet their reserve program obligations will receive **credits as stated in the Cadet Guide.** Cadets who have not missed any uniform wear days and achieve a semester inspection average of 80% (20 points) will receive the **Dress & Appearance** ribbon and **Hard Charger** Award.

**3. AGREEMENT:** In order to maintain the high standards of courtesy, personal conduct, and appearance required by the Air Force and Fike High School, as an AFJROTC cadet in the reserve program, I understand and agree to:

- A. Enroll in an AFJROTC course during one of the two semesters of the current academic year.
- B. Take proper care of all materials provided by the Air Force and returns them upon request of the SASI/ASI.
- C. Wear the AFJROTC uniform on "uniform day" or other occasions as required by participation in the reserve program. Report to the AFJROTC classroom for wear and grooming inspection each uniform wear day. Refusal to wear the uniform as required or deliberate improper wear of the uniform will result in removal from the reserve program and loss of all AFJROTC privileges. Uniform day is normally Wednesday of each week.
- D. Maintain the uniform in a clean, properly fitted and repaired manner. Turn in the complete uniform upon demand. Cadets are responsible for cost of cleaning, loss, theft or damage to the uniform.
- E. Meet the personal grooming standards established by the Air Force and Air Force JROTC.
- F. Meet the standards of attitude, behavior and courtesy expected of AFJROTC cadets as described in the Cadet Handbook. Cadets who fail to meet acceptable standards or who are suspended from school for behavior problems risk losing cadet rank, position, and privileges and may be removed from the reserve program.
- G. Meet the objectives of the cadet-managed squadron to: (1) Encourage a high degree of personal honor, self-reliance, and leadership. (2) Promote patriotism. (3) Develop habits of orderliness and precision. (4) Develop respect for constituted authority.
- H. Respond positively to other cadets who have been appointed to leadership positions in the cadet wing. Conduct yourself properly if/when you are placed in a position of leadership.
- I. Strive to develop self-discipline and responsibility for personal actions.
