

MEETING CONDUCT

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared and delivered in advance to all Board members and to other persons upon request. Meetings shall be conducted by the president according to the bylaws of the Board and *Robert's Rules of Order, Newly Revised*.

(cf. 9322 - Agenda/Meeting Materials)

Under normal circumstances, the president shall introduce or announce each agenda item; ask for comments from administration; request or make a motion. When appropriate; open discussion to Governing Board members; receive comments from staff or citizens, when appropriate; and settle each item in accordance with established parliamentary procedures.

The agenda, organization and conduct of the meeting shall enable Board members sufficient time to receive reports on students, personnel, programs and operations and to consider problems, evaluate evidence and determine appropriate background information.

(cf. 9121 - President)

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 10:30 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and may be adjourned to a later date.

(cf. 9320 - Meetings and Notices)

Quorum

A majority of the number of filled positions on the Board constitutes a quorum. (Education Code 5095, 35165)

Unless otherwise provided by law, affirmative votes by a majority of all the membership of the Board are required to approve any action under consideration, regardless of the number of members present. (Education Code 35164)

(cf. 9323.2 - Actions by the Board)

Abstentions

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall

be considered to concur with the action taken by the majority of those who vote, whether affirmatively or negatively.

(cf. 9270 - Conflict of Interest)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting. All speakers shall identify themselves by name and address for the recording secretary.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board either before or during the Board's consideration of each item of business to be discussed at regular or special meetings. (Education Code 35145.5, Government Code 54954.3)
2. At a time so designated on the agenda, members of the public may bring before the Board, at a regular meeting, matters that are not listed on the agenda. The Board may refer such a matter to the Superintendent or designee or take it under advisement, but shall not take action at that time except as allowed by law. The matter may be placed on the agenda of a subsequent meeting for action or discussion by the Board. (Education Code 35145.5, Government Code 54954.2)
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

MEETING CONDUCT

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard it, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

(cf. 9130 - Board Committees)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

Depending on circumstances, the president may set guidelines for participation to increase the opportunity all in attendance who wish to do so may speak.

6. The Board president may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.

The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts or omissions. (Government Code 54954.3) In addition, the Board may not prohibit public criticism of district employees.

Whenever a member of the public initiates specific complaints or charges against an employee, the Board president shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code 54957.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 9321 - Closed Session Purposes and Agendas)

7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the chair to terminate the privilege of addressing the Board. The Board may remove disruptive individuals and order the room cleared if necessary; in this case, members of the media not participating in the disturbance shall be allowed to remain, and individual(s) not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)
