

CHRIST THE KING HIGH SCHOOL

THE DIOCESE OF BROOKLYN AND CHRIST THE KING HIGH SCHOOL ANNOUNCE A SETTLEMENT

The Diocese of Brooklyn and Christ the King High School are pleased to announce a resolution to their dispute that ensures the rights of all are honored, valued, and respected. This is positive news for the Diocese and the Middle Village community.

Under the terms of this settlement agreement, Middle Village Preparatory Charter School and Christ the King Community Day Care, may continue to operate on the Christ the King campus. The agreement also ensures that the majority of the property will continue to be used for the operation of a Roman Catholic high school. The Diocese of Brooklyn will also have one member on the Christ the King board.

The heart and center of the property is Christ the King High School that has been providing a high-quality Catholic education for more than 50 years.

With this agreement, the parties look forward to their continued relationship with a renewed commitment to keeping alive the Catholic Church's mission and fostering the spiritual and educational growth of students and their families in our community.
