

Dear TVCS Families,

After more than 19 years with TVCS I am announcing my upcoming retirement. It is a bittersweet announcement as I have feelings of excitement and anxiety. TVCS has been my life for a long time and the people here feel like family. I am honored to have been a part of your lives. I will miss so much about my years here.

I don't have grand plans for my retirement, but of course my husband and I will do some travelling and I will spend more time home enjoying my horses and dogs. We have family and friends all over the country to catch up with. It's time to attend to my personal life after more than 36 years as an educator.

I do not have a specific date for my last day just yet. I am staying in place long enough to assist the Board in their search for a new Executive Director and support a smooth transition. Mr. Neuenschwander will be here as the Principal in the coming year. We will all work together to preserve the unique culture of TVCS. I will be here as usual when school starts and transition out as the circumstances dictate. The job is posted and we hope to interview in July. We will make introductions when the time comes. Rest assured that we are working to build the very best administrative team possible because you deserve no less than the best.

Thank you to the Board of Directors, the incredible staff, our supportive parents, and the very best students in the world for making my years here so rewarding.

Sincerely,

Lois Hastings
