### **SECOND LANGUAGE STIPEND**

A 2% stipend will be given to employees whose job description requires proficiency in a second language, provided each employee takes and passes the district examination for that particular second language. This includes, but may not be limited to, Families in Transition Support Coordinator, Migrant Support Technician, School Readiness Family Advocate, Sign Language Interpreter, Sr. Translator/Interpreter, and Translator/Interpreter.

A stipend will be considered for employees who are called upon to use a second language in the regular course of their duties. This request will begin with the site manager who will investigate the percentage of time the skills are used, the skill level necessary and the impact on the site if the individual did not provide the expertise in the second language. Each request will be considered individually. The final determination will involve site management, Human Resources and CSEA. If it is determined an individual provides a crucial service, then that individual has a choice to take and pass the district examination for that particular second language and receive a 2% stipend or continue to provide the service and receive a 1% stipend.

The stipend will be paid to that employee as long as he/she remains at that site and provides this service.

### **TRAINING STIPEND**

For the 2015 - 2016 school year, the Student Records Specialist, AGHS shall receive a 2% annual stipend for training and support per re-class.
