Parent Information Sessions

Thursday, September 12th
8:30am or 7:30pm

Dartmouth Library

Attention Dartmouth Parents:

In 2018/19 our school helped pilot a new curriculum through Project Cornerstone designed to teach middle school students about stress management, making friends, teamwork, and self-identity. This year we are continuing this program and seeking additional volunteers.

Join us on Thursday, September 12th to learn more about how social-emotional learning is being brought to your students. There are so many ways you can be a part of this program without a lot of time commitment. It's a wonderful opportunity to connect with your child, build developmental assets and improve their school relationships.

You do not need to attend both sessions! Pick the time that works best for you. We hope to see you soon!
