

Scholarship Application

We at Instituto College understand that the cost of pursuing a degree in higher education, particularly in a healthcare field, can be a significant barrier to many students. Therefore, the Instituto College Scholarship was established to assist students in attaining an Associate's Degree in Nursing at Instituto College as they pursue a career pathway in the healthcare profession.

This scholarship is a one-year scholarship established to pay for the tuition expenses of the recipient. Scholarship amounts are dependent on availability. If awarded a scholarship, an award letter issued to the recipient will confirm the final amount granted. Scholarships are available, which will cover the entire tuition of the recipient for one-year. Eligibility to apply for the scholarship does not guarantee an award.

Scholarships are for payment of tuition expenses and students are not eligible for cash refunds related to scholarship amounts.
