The fuel can be used to power vehicles, heat homes, cook meals and more! Please help support our efforts by sending your kids in with used markers you may have around the house. Drop-off boxes are located in your child's classroom for your child to deposit the markers. Last year we collected over 3000 markers!!! If you have any questions, please contact Kelli Sok.

### **Picture Package Delivery**

It will take us approximately 3-4 weeks to process you school's orders and to get them shipped back to your school! Once the orders arrive, parents will find a re-order slip inside their student's picture package. Students who didn't purchase picture packages will also get a slip of paper with their unique order code. All parents may use this re-order slip to order prints and photo gifts at [inter-state.com](http://inter-state.com).
