The Governing Board recognizes the responsibility of Board members in their role as community leaders to participate in public discourse on matters of civic or community interest, including those involving the district, and their right to freely express their personal views. However, to ensure communication of a consistent, unified message regarding district issues, Board members are expected to respect the authority of the Board to choose its representatives to communicate its positions and to abide by established protocols.

Board Member Electronic Communications**

BB 9012(a)

The Governing Board recognizes that electronic communication is an efficient and convenient way for Board members to communicate and expedite the exchange of information within the district and with members of the public. Board members shall exercise caution so as to ensure that electronic communications are not used as a means for the Board to deliberate outside of an agendaized Board meeting nor to circumvent the public's right to access records regarding district business.

A majority of the Board shall not, outside of an authorized meeting, use a series of electronic communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

Examples of permissible electronic communications concerning district business include, but are not limited to, dissemination of Board meeting agendas and agenda packets, reports of activities from the Superintendent, and reminders regarding meeting times, dates, and places.

In addition, Board members may use electronic communications to discuss matters that do not pertain to district business, regardless of the number of Board members participating in the discussion.

Board members shall make every effort to ensure that their electronic communications conform to the same standards and protocols established for other forms of communication. A Board member may respond, as appropriate, to an electronic communication received from a member of the community and should make clear that his/her response does not necessarily reflect the views of the Board as a whole. Any complaint or request for information should be forwarded to the Superintendent in accordance with Board bylaws and protocols so that the issue may receive proper consideration and be handled through the appropriate district process. As appropriate, communication received from the media shall be forwarded to the designated district spokesperson.

To the extent possible, electronic communications regarding any district-related business shall be transmitted through a district-provided device or account. When any such communication is transmitted through a Board member's personal device or account, he/she shall copy the communication to a district electronic storage device for easy retrieval.

(9/88 7/03) 3/11

Adopted by Board of Trustees: August 11, 2011

The Governing Board recognizes the complex legal environment in which districts operate and desires reliable, high-quality legal advice at reasonable rates. In order to meet the district's legal needs, the Board may contract with county counsel, attorneys in private practice, or appoint legal counsel as a district employee or independent contractor. The Board also supports pursuing collaborative legal efforts with other agencies and districts as appropriate.

Duties of Legal Counsel

The district's legal counsel may: (Education Code 35041.5)

1. Render legal advice to the Board and the Superintendent or designee
2. Serve the Board and the Superintendent or designee in the preparation and conduct of district litigation and administrative proceedings
3. Render advice on school bond and tax increase measures and prepare the necessary forms for the voting of these measures
4. Perform other administrative duties as assigned by the Board and Superintendent or designee

Retaining Legal Counsel

When the district is seeking legal advice or representation, the Superintendent or designee shall initiate a Request for Proposals (RFP) to advertise and solicit proposals for legal services. In evaluating the proposals, the Board and Superintendent shall consider the firm's or attorney's background, experience, and reputation in education law; experience advising or representing school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

The Board may also contract for temporary, specialized legal services without initiating an RFP when a majority of the Board determines that the unique demands of a particular issue or emergency situation so requires.

Contacting Legal Counsel

At his/her discretion, the Board president or Superintendent may confer with district legal counsel subject to any limits or parameters established by the Board. In addition, the Superintendent or Board president may contact district legal counsel to provide the Board with legal information or advice when so directed by a majority of the Board.

Revised Adopted by the Board of Trustees:

Date: June 29, 2009

The Governing Board may establish a committee whenever it determines that such a committee would benefit the district by providing diverse viewpoints, specialized knowledge or expertise, or increased efficiency. Such committees may be subcommittees of the Board or committees that include members of the community, staff, or other stakeholder groups.

Upon establishing a committee, the Board shall clearly define the committee's purpose, any timeline for completion of assigned responsibilities, any stakeholder groups or individuals to be represented on the committee, length of time that committee members are expected to serve, and expectations for reporting to the Board and/or the Superintendent or designee. Unless specifically authorized by the Board to act on its behalf, the committee shall act in an advisory capacity.

Except for subcommittees of the Board, committee members shall, as appropriate, be recommended by the Superintendent or designee and appointed by the Board president, subject to Board approval.

The Superintendent or designee shall provide committee members with information and assistance necessary for the fulfillment of the committee's charges, and may serve as a non-voting advisor to the committee at the discretion of the Board.

Whenever so charged, committees may actively seek input and participation by parents/guardians, staff, community, and students and may consult with local public boards and agencies.

Any committee not required by law may be dissolved when its duties or term has been completed or whenever the Board deems necessary.

Committee Meetings

Unless otherwise exempted by law, Board-created committees shall provide public notice of their meetings and conduct meetings in accordance with Government Code 54950-54963 (the Brown Act).

However, Board subcommittees composed solely of less than a quorum of the members of the Board are not subject to open meeting laws unless they are standing committees. Standing committees of the Board, irrespective of membership, are those that have a continuing subject matter jurisdiction or a meeting schedule established by action of the Board. (Government Code 54952)

Standing committees with a continuing subject matter jurisdiction include, but are not limited to, those responsible for providing advice on budgets, audits, Board policy, contracts, and personnel matters at the Board's request.

When a majority of the members of the Board attend an open and noticed meeting of a standing committee, the Board members who are not members of the standing committee shall attend only as observers. (Government Code 54952.2)

Whenever any advisory or standing committee, including a committee not otherwise subject to the Brown Act, posts a meeting agenda at least 72 hours in advance of the meeting, that meeting shall be considered as a regular meeting of the Board for purposes of the Brown Act and therefore must be held within district boundaries unless otherwise authorized by law. (Government Code 54954)

Committees may meet in a closed session during a regular or special meeting only for those purposes specifically authorized by law for closed sessions held by the Board.

Board Bylaw
Board Bylaws
Limits of Board Member Authority

BB 9200(a)

The Governing Board recognizes that the Board is the unit of authority over the district and that a Board member has no individual authority. Board members shall hold the education of students above any partisan principle, group interest, or personal interest.

(cf. BP 1160 - Political Processes)
(cf. BB 9000 - Role of the Board)
(cf. 9005 - Governance Standards)
(cf. BB 9270 - Conflict of Interest)
(cf. BB 9323 - Meeting Conduct)

Unless agreed to by the Board as a whole, individual members of the Board shall not exercise any administrative responsibility with respect to the schools or command the services of any school employee. Individual Board members shall submit requests for information to the Superintendent. Board members shall refer Board-related correspondence to the Superintendent for forwarding to the Board or for placement on the Board's agenda, as appropriate.

(cf. BP/AR 1340 - Access to District Records)
(cf. AR 4012.6 - Personnel Files)
(cf. BB 9011 - Disclosure of Confidential/Privileged Information)
(cf. BB 9322 - Agenda/Meeting Materials)

Individual Board members do not have the authority to resolve complaints. Any Board member approached directly by a person with a complaint should refer the complainant to the Superintendent or designee so that the problem may receive proper consideration and be handled through the appropriate district process.

(cf. BP/AR 1312.1 - Complaints Concerning District Employees)
(cf. AP/AR 1312.2 - Complaints Concerning Instructional Materials)
(cf. BP/AR 1312.3 - Uniform Complaint Procedures)
(cf. AR 1312.4 - Williams Uniform Complaint Procedures)
(cf. BP/AR 3320 - Claims and Actions Against the District)
(cf. AR 4031 - Complaints Concerning Discrimination in Employment)
(cf. BP/AR 6159.1 - Procedural Safeguards and Complaints for Special Education)

A Board member whose child is attending a district school should be aware of his/her role as a Board member when interacting with district employees about his/her child. Because his/her position as a Board member may inhibit the performance of school personnel, the Board member should inform the Superintendent or designee before volunteering in his/her child's classroom.

(cf. BP/AR 1240 - Volunteer Assistance)
(cf. BP/AR 5020 - Parent Rights and Responsibilities)
(cf. BP/AR 6020 - Parent Involvement)

Board members and persons elected to the Board who have not yet assumed office are responsible for complying with the requirements of the Brown Act. (Government Code 54952.1)

Board Member Qualifications

Any person is eligible to be a member of the Governing Board, without further qualifications, if he/she is 18 years of age or older, a citizen of California, a resident of the school district, a registered voter, and not legally disqualified from holding civil office. Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or elected as a Board member except when he/she has been granted a pardon in accordance with law. (Education Code 35107; Elections Code 20)

A district employee elected to the Board shall resign his/her employment before being sworn in or shall have his/her employment automatically terminated upon being sworn into office. (Education Code 35107)

The Board encourages all candidates to become knowledgeable about the role of board members. The Superintendent or designee shall provide all candidates with information that will enable them to understand the responsibilities and expectations of being a Board member, including information regarding available workshops, seminars, and/or training. The Superintendent or designee shall provide all candidates with the county election official's contact information and general information about school programs, district operations, and Board responsibilities.

Consolidation of Elections

To reduce costs associated with conducting elections, the Board may consolidate Board elections with the local municipal or statewide primary or general election in accordance with Elections Code 1302.

In addition, if a regularly scheduled Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the Board shall take action to consolidate Board elections with statewide elections. The district shall move its election to the next state statewide election date, unless the Board has adopted a plan by January 1, 2018 to consolidate Board elections not later than the November 8, 2022 statewide general election. (Elections Code 14051, 14052)

In order to consolidate elections based on either circumstance described above, the Board shall adopt a resolution and submit it to the County Board of Supervisors for approval not later than 240 days prior to the date of the currently scheduled district election. (Elections Code 10404.5)

Whenever a regularly scheduled Board election is changed due to consolidation of elections, the terms of office of incumbent Board members shall be extended to align with the next applicable election. (Elections Code 10404.5)

Elections Process and Procedures

Board members may reside anywhere within the district's boundaries and shall be elected by all voters in the district.

To ensure ongoing compliance with the California Voting Rights Acts, the Board may review the district's Board election method to determine whether any modification is necessary due to changes in the district's population or any of its racial, color, or language minority group composition. The review shall be based on the Superintendent or designee's report to the Board after the release of each decennial federal census.

Governing Board Elections

BB 9220(b)

If the Board determines that a change is necessary, it shall hold public hearings in accordance with Elections Code 10100 before adopting a resolution at an open meeting specifying the change(s), and shall, in accordance with Education Code 5019, obtain approval from the county committee on school district organization having jurisdiction over the district.

Campaign Conduct

All candidates, including current Board members running as incumbents, shall abide by local, county, state, and federal requirements regarding campaign donations, funding, and expenditures.

A Board member shall not expend, and a candidate shall not accept, any public money for the purpose of seeking elective office. However, the district may establish a dedicated fund for those seeking election to the Board, provided that the funds are available to all candidates who are qualified pursuant to Education Code 35107 without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public's trust in the electoral process as well as the public's confidence in the Board and district, the Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

Statement of Qualifications

On the 125th day prior to the day fixed for the general district election, the Board secretary or his/her designee shall deliver a notice, bearing the secretary's signature and district seal, to the county elections official describing both of the following: (Elections Code 10509)

1. The elective offices of the district to be filled at the general election and which offices, if any, are for the balance of an unexpired term
2. Whether the district or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

Candidates for the Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 200 words. (Elections Code 13307)

When the elections official allows for the electronic distribution of candidate statements, a candidate for the Board may, in addition to or instead of submitting a candidate statement for inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

The district shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the hard copy and/or electronic voter's pamphlet, the district may require candidates to pay their estimated pro rata share of these costs to the district in advance pursuant to Elections Code 13307.

Tie Votes in Board Member Elections

Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the Board, the Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the Board. The Board at that time shall determine the winner by lot. (Education Code 5016)

Events Causing a Vacancy

A vacancy on the Governing Board may occur for any of the following events:

1. The death of an incumbent (Government Code 1770)
2. The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of his/her office for the remainder of his/her term (Government Code 1770)
3. A Board member's resignation (Government Code 1770)

A vacancy resulting from resignation occurs when the written resignation is filed with the County Superintendent of Schools having jurisdiction over the district, except where a deferred effective date is specified in the resignation so filed, in which case the resignation shall become operative on that date. A Board member may not defer the effective date of his/her resignation for more than 60 days after he/she files the resignation with the County Superintendent. Upon being filed with the County Superintendent, a written resignation, whether specifying a deferred effective date or otherwise, shall be irrevocable. (Education Code 5090, 5091)
4. A Board member's removal from office, including by recall (Elections Code 11384; Government Code 1770)
5. A Board member's ceasing to be a resident of the district (Government Code 1770)
6. A Board member's absence from the state for more than 60 days, except in the following situations: (Government Code 1064, 1770)
 - a. Upon district business with the approval of the Board
 - b. With the consent of the Board for an additional period not to exceed a total absence of 90 days

In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the state may be extended by the Board.
 - c. For federal military deployment, not to exceed an absence of a total of six months, as a member of the armed forces of the United States or the California National Guard

If the absence of the Board member for this purpose exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve in his/her absence. If two or more members of the Board are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.
7. A Board member's ceasing to discharge the duties of his/her office for the period of three consecutive months, except when prevented by illness or when absent from the state with the permission required by law (Government Code 1770)
8. A Board member's conviction of a felony or any offense involving a violation of his/her official duties or conviction of a designated crime resulting in a forfeiture of office (Government Code 1770, 3000-3003)

Filling Vacancies (continued)

BB 9223(b)

9. A Board member's refusal or neglect to file his/her required oath within the time prescribed. (Government Code 1770)
10. The decision of a competent tribunal declaring void a Board member's election or appointment. (Government Code 1770)
11. A Board member's commitment to a hospital or sanitarium as a drug addict, dipsomaniac, inebriate, or stimulant addict by a court of competent jurisdiction, in which case the office shall not be deemed vacant until the order of commitment has become final. (Government Code 1770)
12. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a Board seat(s). (Education Code 5090, 5326, 5328)

Timelines for Filling a Vacancy

When a vacancy occurs, the Board shall take the following action, as appropriate:

1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)
2. When a vacancy occurs longer than four months before the end of a Board member's term, the Board shall, within 60 days of the date of the vacancy or the filing of the member's deferred resignation, either order an election or make a provisional appointment, unless a special election is mandated as described in item #3 below. (Education Code 5091, 5093)
3. When a vacancy occurs from six months to 130 days before a regularly scheduled Board election at which the position is not scheduled to be filled, a special election to fill the position shall be consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position which he/she was elected to fill. (Education Code 5093)

Eligibility

In order to be appointed or elected to fill a vacancy on the Board, a person must meet the eligibility requirements specified in Education Code 35107.

Provisional Appointments

When authorized by law to make a provisional appointment to fill a vacancy on the Board, the Board shall advertise in the local media to solicit candidate applications or nominations. A committee consisting of less than a quorum of the Board shall ensure that applicants are eligible for Board membership and announce the names of the eligible candidates. The Board shall interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by a majority vote.

Note: Interviews or discussions of potential board members may not be held in closed session. The California Attorney General ruled that local office holders, whether elected or appointed, are excluded from the "personnel exception" (Government Code §54957) to the open meeting requirements of the Brown Act (Government Code §54950 et seq.) See also 59 Ops. Cal. Atty. Gen. 266 (1976)

Within 10 days after the appointment is made, the Board shall post notices of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be published in the local newspaper pursuant to Government Code 6061 and posted in at least three public places within the district. (Education Code 5092)

The notice shall contain: (Education Code 5092)

1. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation

Filling Vacancies (continued)

BB 9223(c)

2. The full name of the appointee
3. The date of appointment
4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment

The person appointed shall hold office until the next regularly scheduled election for district Board members and shall be afforded all the powers and duties of a Board member upon appointment. (Education Code 5091)

Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated (i.e., a failure to elect) and a district election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. (Education Code 5328)

When an appointment is being made because of a failure to elect, the district shall publish a notice once in a newspaper of general circulation published in the district, or if no such newspaper exists, in a newspaper having general circulation within the district. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures for "Provisional Appointments," as specified above.

(Education Code 5328)

When an appointment is being made because of a failure to elect, the district shall publish a notice once in a newspaper of general circulation published in the district, or if no such newspaper exists, in a newspaper having general circulation within the district. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

BB 9230

The Governing Board recognizes the importance of providing all newly elected or appointed Board members with support and information to assist them in becoming effective members of the Board. Incoming Board members shall be provided an orientation designed to build their knowledge of the district and an understanding of the responsibilities of their position. Such orientation may include the provision of information, support, and/or training related to Board functions, policies, protocols, and standards of conduct.

As early as possible following the election or appointment of Board members, one or more orientation sessions may be held during open meeting(s) of the Board. The Board president and the Superintendent or designee shall develop an agenda for the meeting(s) and shall identify resources that may be useful for incoming Board members.

Upon their election or appointment, incoming Board members shall be provided a copy of the Brown Act and informed that, pursuant to Government Code 54952.1, they must conform to the Act's requirements as if they had already assumed office. Additional information for incoming Board members may include, but is not limited to, Board bylaws related to the limits of individual Board member authority, the conduct of Board meetings, and other Board operations; governance standards for ethical conduct; legal requirements related to conflict of interest and prohibited political activity; protocols for speaking with district staff, members of the public, and the media; and publications on effective governance practices.

Incoming members are encouraged, at district expense and with approval of the Board, to attend the California School Boards Association's Orientation for New Trustees, Institute for New and First-Term Board Members, and workshops and conferences relevant to the needs of the individual member, the Board as a whole, or the district.

Date: (06/29/09) 09/11/2017

The Governing Board believes that the Board's ability to effectively and responsibly govern the district is essential to promoting student achievement, building positive community relations, and protecting the public interest in district schools. Board members shall be provided sufficient opportunities for professional development that helps them understand their responsibilities, stay abreast of new developments in education, and develop boardmanship skills.

(cf. 9000 - Role of the Board) (cf. 9005 - Governance Standards)

The Board and/or the Superintendent or designee shall provide an orientation to newly elected or appointed Board members which includes comprehensive information regarding Board roles, policies, and procedures and the district's vision and goals, operations, and current challenges. Throughout their first term, Board members shall continue to participate in additional educational opportunities designed to assist them in understanding the principles of effective governance, including, but not limited to, information on school finance and budgets, student achievement and assessment, labor relations, community relations, program evaluation, open meeting laws (the Brown Act), conflict of interest laws, and other topics necessary to govern effectively and in compliance with law.

(cf. 9230 - Orientation)

All Board members are encouraged to continuously participate in advanced training offered by the California School Boards Association in order to reinforce boardmanship skills and build knowledge related to key education issues. Such activities may include online courses, webinars, webcasts, and in-person attendance at workshops and conferences. In addition, workshops and consultations may be held within the district on issues that involve the entire governance team.

Funds for board training shall be budgeted annually for the Board and each Board member. In selecting appropriate activities, the Board and/or individual Board members shall consider activities that are aligned with the district's vision and goals and the needs of the Board or individual member to obtain specific knowledge and skills. The Board shall annually develop a board training calendar in order to schedule and track board training activities and to schedule opportunities for Board members to report on the activities in which they participated.

Board members may attend a conference or similar public gathering with other Board members and/or with the Superintendent or designee in order to develop common knowledge and understanding of an issue or engage in team-building exercises. In such cases, a majority of the Board members shall not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the district's jurisdiction, so as not to violate the Brown Act open meeting laws pursuant to Government Code 54952.2.

(cf. 9320 - Meetings and Notices)

Board members shall report to the Board, orally or in writing, on the board training activities they attend, for the purpose of sharing the acquired knowledge or skills with the full Board and enlarging the benefit of the activity to the Board and district.

**Board Bylaw
Board Bylaws
Conflict Of Interest**

BB 9270(a)

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. Accordingly, no Board member, district employee, or other person in a designated position shall participate in the making of any decision for the district when the decision will or may be affected by his/her financial, family, or other personal interest or consideration.

Even if a prohibited conflict of interest does not exist, a Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which his/her relative belongs. (Education Code 35107)

Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

The Board shall adopt for the district a conflict of interest code that incorporates the provisions of 2 CCR 18730 by reference, specifies the district's designated positions, and provides the disclosure categories required for each position. The conflict of interest code shall be submitted to the district's code reviewing body for approval, in accordance with Government Code 87303 and within the deadline for submission established by the code reviewing body. (Government Code 87303)

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code and submit any changes to the code reviewing body or, if no change is required, the Board shall submit a written statement to that effect. (Government Code 87306.5)

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days after the changed circumstances necessitating the amendments have become apparent. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last required statement and the date of leaving office or district employment. (Government Code 87302, 87302.6)

Conflict of Interest under the Political Reform Act

A Board member, designated employee, or other person in a designated position shall not make, participate in making, or in any way use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A disqualifying conflict of interest exists if the decision will have a "reasonably

foreseeable material financial effect," which is distinguishable from the effect on the public generally, on the Board member, designated employee, or other person in a designated position, his/her immediate family, or any financial interest described in 2 CCR 18700. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

A Board member, designated employee, or other person in a designated position makes a governmental decision when he/she, acting within the authority of his/her office or position, authorizes or directs any action on a matter, votes or provides information or opinion on it, contacts or appears before a district official for the purpose of affecting the decision, or takes any other action specified in 2 CCR 18704.

However, a Board member shall participate in the making of a contract in which he/she has a financial interest if his/her participation is required by the rule of necessity or legally required participation pursuant to Government Code 87101 and 2 CCR 18705.

Additional Requirements for Boards that Manage Public Investments

Any Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following: (Government Code 87105; 2 CCR 18707)

1. Publicly identify each financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required.
2. Recuse himself/herself from discussing and voting on the matter, or otherwise acting in violation of Government Code 87100. The Board member shall not be counted toward achieving a quorum while the item is discussed.

However, the Board member may speak on the issue during the time that the general public speaks on it and may leave the dais to speak from the same area as members of the public. He/she may listen to the public discussion and deliberations of the matter with members of the public.

3. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters.

If the item is on the consent calendar, the Board member must recuse himself/herself from discussing or voting on that matter, but the Board member is not required to leave the room during consideration of the consent calendar.

4. If the Board's decision is made during closed session, disclose his/her interest orally during the open session preceding the closed session. This disclosure shall be limited to a declaration that his/her recusal is because of a conflict of interest pursuant to Government Code 87100. He/she shall not be present when the item is considered in closed session and shall not knowingly obtain or review a recording or any other nonpublic information regarding the Board's decision.

Conflict of Interest under Government Code 1090 - Financial Interest in a Contract

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest in a contract made by the Board, the contract is void. (Government Code 1090)

Conflict of Interest (continued)

BB 9270(c)

A Board member shall not be considered to be financially interested in a contract in which he/she has only a "remote interest," as specified in Government Code 1091, if the interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member or district official to enter into the contract. (Government Code 1091)

In addition, a Board member shall not be considered to be financially interested in a contract in which his/her interest is a "noninterest" as defined in Government Code 1091.5. Noninterest includes a Board member's interest in being reimbursed for his/her actual and necessary expenses incurred in the performance of his/her official duties, in the employment of his/her spouse/registered domestic partner who has been a district employee for at least one year prior to the Board member's election or appointment, or in any other applicable circumstance specified in Government Code 1091.5.

Common Law Doctrine Against Conflict of Interest

A Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

Gifts

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

In addition, the limitation on gifts does not apply to informational materials such as books, reports, pamphlets, calendars, and periodicals. (Government Code 82028)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation, except when: (Government Code 89506)

1. The travel is in connection with a speech given by a Board member or designated employee, provided the lodging and subsistence expenses are limited to the day immediately preceding, the day of, and the day immediately following the speech and the travel is within the United States.
2. The travel is provided by a person or agency specified in Government Code 89506, including a government, governmental agency or authority, bona fide public or private educational institution, as defined in Revenue and Taxation Code 203, or nonprofit organization exempt from taxation under section 501(c)(3) of the Internal Revenue Code.

Gifts of travel exempted from the gift limitation, as described in items #1 and 2 above, shall nevertheless be reportable on the recipient's Statement of Economic Interest/Form 700 as required by law.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private conference, convention, meeting, social event, meal, or like gathering. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession, unless the sole or predominant activity of the business, trade, or profession is making speeches
2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

Board policies are binding on the district to the extent that they do not conflict with federal or state law and are consistent with the district's collective bargaining agreements. No Board policy, bylaw, or administrative regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable federal or state law or regulations or court decisions. 2. As needed, the Superintendent or designee shall gather fiscal data, staff and public input, related district policies, sample policies from the California School Boards Association or other organizations or agencies, and other useful information and data to fully inform the Board about a particular issue.
3. The Board may hold discussions during a public Board meeting to gain an understanding of the issue and provide initial direction to the Superintendent or designee. The discussion may include, but not be limited to, community expectations, staff recommendations, and the expected impact of the policy on student learning and well-being, equity, governance, and the district's fiscal resources and operational efficiency.
4. The Board or Superintendent may request that legal counsel review the draft policy as appropriate.
5. The Superintendent or designee shall develop and present a draft policy for a first reading at a public Board meeting. At its second reading, the Board may take action on the proposed policy. The Board may waive the second reading or may require an additional reading if necessary.

Only policies formally adopted by a majority vote of the Board shall constitute official Board policy.

Administrative regulations shall be consistent with law and Board policy and shall be designed to promote the achievement of district goals and objectives. Administrative regulations may describe specific actions to be taken, roles and responsibilities of staff, timelines, and/or other provisions. The Superintendent or designee may also develop procedures manuals, handbooks, or other guides to carry out the intent of Board policy.

When Board policies are amended, the Superintendent or designee shall review corresponding administrative regulations to ensure that they conform to the intent of the revised policy. In case of conflict between administrative regulation and Board policy, policy shall prevail.

The Board may review and/or approve administrative regulations for the purpose of ensuring conformity with the intent of Board policy.

Monitoring and Evaluation

At any time, the Board and Superintendent or designee may determine that progress reports to the Board on the implementation and/or effectiveness of the policy should be scheduled. If so, the Board and Superintendent or designee shall agree upon a timeline and, as applicable, measures for evaluating the effectiveness of the policy in achieving its purpose.

Access to Policies

The Superintendent or designee shall ensure that all district employees and the public have access to an up-to-date district policy manual. The policy manual shall be maintained electronically and/or by paper copy.

Meetings and Notices**

BB 9320(a)

Meetings of the Governing Board are conducted for the purpose of accomplishing district business. In accordance with state open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide opportunities for questions and comments by members of the public. All meetings shall be conducted in accordance with law and the Board's bylaws, policies, and administrative regulations.

A Board meeting exists whenever a majority of Board members gather at the same time and place to hear, discuss, or deliberate upon any item within the subject matter jurisdiction of the Board or district. (Government Code 54952.2)

A majority of the Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. However, an employee or district official may engage in separate conversations with Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

In order to help ensure the participation of individuals with disabilities at Board meetings, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. (Government Code 54953.2, 54954.1)

Regular Meetings

The Board shall hold one (1) regular meeting each month. Regular meetings shall be held at 6:00 p.m. on the second Monday of each month, unless that day is a holiday, in which case the meeting will be held on the day following the holiday, at the place designated on the adopted calendar of meetings.

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 9:00 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date. (Board Bylaw 9323)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the district's Internet web site. (Government Code 54954.2)

Whenever agenda materials relating to an open session of a regular meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose. (Government Code 54957.5)

Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members. However, a special meeting shall not be called regarding the salary, salary schedule, or other compensation of the Superintendent, assistant superintendent, or other management employee as described in Government Code 3511.1. (Government Code 54956)

Written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice also shall be posted on the district's Internet web site. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and place of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Meetings and Notices (continued)

BB 9320(b)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

An emergency situation means either of the following: (Government Code 54956.5)

1. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board
2. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist activity, or threatened terrorist act that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification must be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time he/she notifies the other members of the Board about the meeting. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

Adjourned/Continued Meetings

A majority vote by the Board may adjourn/continue any regular or special meeting to a later time and place that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned to a later time and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may occasionally convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public.

The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships.

Meetings and Notices (continued)

BB 9320(c)

Public notice shall be given in accordance with law when a quorum of the Board is attending a study session, retreat, public forum, or discussion meeting. All such meetings shall comply with the Brown Act and shall be held in open session and within district boundaries. Action items shall not be included on the agenda for these meetings.

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

4. An open and noticed meeting of a legislative body of another local agency

6. An open and noticed meeting of a standing committee of the Board, provided that the Board members who are not members of the standing committee attend only as observers

Individual contacts or conversations between a Board member and any other person are not subject to the Brown Act. (Government Code 54952.2)

Location of Meetings

Meetings shall not be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135, including, but not limited to, religion, sex, or sexual orientation. In addition, meetings shall not be held in a facility which is inaccessible to individuals with disabilities or where members of the public must make a payment or purchase in order to be admitted. (Government Code 54961)

Meetings shall be held within district boundaries, except to do any of the following: (Government Code 54954)

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the district is a party
2. Inspect real or personal property which cannot conveniently be brought into the district, provided that the topic of the meeting is limited to items directly related to the property
3. Participate in meetings or discussions of multiagency significance, provided these meetings are held within one of the other agencies' boundaries, with all participating agencies giving the notice required by law
4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district
5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the district over which the state or federal officials have jurisdiction
6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility

- 8. Attend conferences on nonadversarial collective bargaining techniques
- 9. Interview residents of another district regarding the Board's potential employment of an applicant for Superintendent of the district

Meetings exempted from the boundary requirements, as specified in items #1-10 above, shall still be subject to the notice and open meeting requirements for regular and special meetings when a quorum of the Board attends the meeting.

If a fire, flood, earthquake, or other emergency renders the regular meeting place unsafe, meetings shall be held for the duration of the emergency at a place designated by the Board president or designee, who shall so inform all news media who have requested notice of special meetings by the most rapid available means of communication. (Government Code 54954)

Teleconferencing

A teleconference is a meeting of the Board in which Board members are in different locations, connected by electronic means through audio and/or video. (Government Code 54953)

The Board may use teleconferences for all purposes in connection with any meeting within the Board's subject matter jurisdiction. All votes taken during a teleconference meeting shall be by roll call. (Government Code 54953)

During the teleconference, at least a quorum of the members of the Board shall participate from locations within district boundaries. (Government Code 54953)

Agendas shall be posted at all teleconference locations and shall list all teleconference locations whenever they are posted elsewhere. Additional teleconference locations may be provided to the public. (Government Code 54953)

All teleconference locations shall be accessible to the public. All teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board, including the right of the public to address the Board directly at each teleconference location. (Government Code 54953)

All Board policies, administrative regulations, and bylaws shall apply equally to meetings that are teleconferenced. The Superintendent or designee shall facilitate public participation in the meeting at each teleconference location.

The Governing Board is committed to complying with state open meeting laws and modeling transparency in its conduct of district business. The Board shall hold closed sessions only for purposes authorized by law. A closed session may be held during a regular, special, or emergency meeting in accordance with law.

Each agenda shall contain a general description of each closed session item to be discussed at the meeting, as required by law. (Government Code 54954.2)

The Board shall disclose in open session the items to be discussed in closed session. In the closed session, the Board may consider only those matters covered in its statement. After the closed session, the Board shall reconvene in open session before adjourning the meeting, and when applicable, shall disclose any action taken in the closed session, in the manner prescribed by Government Code 54957.1. (Government Code 54957.7)

The Board shall not disclose any information that is protected by state or federal law. In addition, no victim or alleged victim of tortious sexual conduct or child abuse shall be identified in any Board agenda, notice, announcement, or report required by the Brown Act, unless the identity of the person has previously been publicly disclosed. (Government Code 54957.7, 54961)

A Board member shall not disclose confidential information received in a closed session unless the Board authorizes the disclosure of that information. (Government Code 54963)

Personnel Matters

The Board may hold a closed session under the "personnel exception" to consider the appointment, employment, evaluation of performance, discipline, or dismissal of an employee. Such a closed session shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline. (Government Code 54957)

The Board may also hold a closed session to hear complaints or charges brought against an employee by another person or employee, unless the employee requests an open session. Before the Board holds a closed session on specific complaints or charges brought against an employee, the employee shall receive written notice of his/her right to have the complaints or charges heard in open session if desired. This notice shall be delivered personally or by mail at least 24 hours before the time of the session. (Government Code 54957)

The Board may hold a closed session to discuss a district employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Agenda items related to district employee appointments and employment shall describe the position to be filled. Agenda items related to performance evaluations shall specify the title of the employee being reviewed. Agenda items related to employee discipline, dismissal, or release require no additional information. (Government Code 54954.5)

Negotiations/Collective Bargaining

Unless otherwise agreed upon by the parties involved, the following shall not be subject to the Brown Act: (Government Code 3549.1)

1. Any meeting and negotiating discussion between the district and a recognized or certified employee organization

Closed Session Purposes and Agendas (continued)

BB 9321(b)

2. Any meeting of a mediator with either party or both parties to the meeting and negotiating process
3. Any hearing, meeting, or investigation conducted by a factfinder or arbitrator
4. Any executive (closed) session of the district or between the district and its designated representative for the purpose of discussing its position regarding any matter within the scope of representation and instructing its designated representatives

The Board may meet in closed session to review the Board's position and/or instruct its designated representative regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees. Prior to the closed session, the Board shall identify its designated representative in open session. Any closed session held for this purpose may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. (Government Code 54957.6)

Closed sessions may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees. For unrepresented employees, closed sessions held pursuant to Government Code 54957.6 shall not include final action on the proposed compensation of one or more unrepresented employees. (Government Code 54957.6)

For represented employees, the Board may also meet in closed session regarding any other matter within the statutorily provided scope of representation. (Government Code 54957.6)

The Board also may meet in closed session with a state conciliator or mediator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Agenda items related to negotiations shall specify the name of the district's designated representative(s) attending the closed session. If circumstances necessitate the absence of a specified designated representative, an agent or designee may participate in place of the absent representative as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the organization representing the employee(s) or the position title of the unrepresented employee who is the subject of the negotiations. (Government Code 54954.5)

Matters Related to Students

The Board shall meet in closed session to consider the expulsion of a student, unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board may meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

The Board shall meet in closed session to address any student matter that may involve disclosure of confidential student information, or to consider a suspension, disciplinary action, or any other action against a student except expulsion. If a written request for open session is received from the parent/guardian or adult student, it will be honored to the extent that it does not violate the privacy rights of any other student. (Education Code 35146, 48912, 49070)

Agenda items related to student matters shall briefly describe the reason for the closed session, such as "student expulsion hearing" or "grade change appeal," without violating the confidentiality rights of individual students. The student shall not be named on the agenda, but a number may be assigned to the student in order to facilitate record keeping. The agenda shall also state that the Education Code requires closed sessions in these cases in order to prevent the disclosure of confidential student record information.

Security Matters

The Board may meet in closed session with the Governor, Attorney General, district attorney, district legal counsel, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. (Government Code 54957)

The Board may meet in closed session during an emergency meeting held pursuant to Government Code 54956.5 to meet with law enforcement officials for the emergency purposes specified in Government Code 54957 if agreed to by a two-thirds vote of the Board members present. If less than two-thirds of the members are present, then the Board must agree by a unanimous vote of the members present. (Government Code 54956.5)

Agenda items related to security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult. (Government Code 54954.5)

Conference with Real Property Negotiator

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s) and the property under negotiation and to specify the person(s) with whom the negotiator may negotiate. (Government Code 54956.8)

For purposes of real property transactions, negotiators may include members of the Board. (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both. (Government Code 54954.5)

Pending Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding a pending litigation when a discussion of the matter in open session would prejudice the district's position in the litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" in any of the following circumstances: (Government Code 54956.9)

1. Litigation to which the district is a "party" has been initiated formally. (Government Code 54956.9(a))
2. A point has been reached where, in the Board's opinion based on the advice of its legal counsel regarding the "existing facts and circumstances," there is a "significant exposure to litigation" against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(b))

Closed Session Purposes and Agendas (continued)

BB 9321(d)

Existing facts and circumstances for these purposes are limited to the following: (Government Code 54956.9)

- a. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiffs and which do not need to be disclosed.
 - b. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiffs and which must be publicly disclosed before the closed session or specified on the agenda.
 - c. The receipt of a claim pursuant to the Tort Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.
 - d. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.
 - e. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection. Such record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat on his/her behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.
3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(c))

Before holding a closed session pursuant to the pending litigation exception, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9(a), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to pending litigation shall be described as a conference with legal counsel regarding either "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties, or case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(b) and shall specify the potential number of cases. When the district expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(c) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information regarding existing facts and circumstances described in item #2 b-e above. (Government Code 54954.5)

Joint Powers Agency Issues

The Board may meet in closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Closed Session Purposes and Agendas (continued)

BB 9321(e)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board may meet in closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the JPA. During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96)

The Board member may also disclose the confidential JPA information to district legal counsel in order to obtain advice on whether the matter has direct financial or liability implications for the district. (Government Code 54956.96)

Closed session agenda items related to conferences involving a JPA shall specify the closed session description used by the JPA and the name of the Board member representing the district on the JPA board. Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included. (Government Code 54954.5)

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report must be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Closed session agenda items related to an audit by the California State Auditor's Office shall state "Audit by California State Auditor's Office." (Government Code 54954.5)

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

BB 9322(a)

Agenda Content

Governing Board meeting agendas shall state the meeting time and place and shall briefly describe each business item to be transacted or discussed, including items to be discussed in closed session. (Govt Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. The agenda shall also provide members of the public an opportunity to testify at regular meetings on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (EC 35145.5; Govt Code 54954.3)

Each meeting agenda shall list the address designated by the Superintendent or designee for public inspection of agenda documents that have been distributed to the Board less than 72 hours before the meeting. (Govt Code 54957.5)

The agenda shall specify that an individual should contact the Superintendent or designee if he/she requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting. (Govt Code 54954.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting. Each agenda shall reflect the district's vision and goals and the Board's focus on student learning.

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information, if any, at least ten (10) days before the scheduled meeting date. Items submitted less than ten (10) days before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board president and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation.

The Board president and Superintendent shall decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote, an information item that does not require immediate action, or a consent item that is routine in nature and for which no discussion is anticipated.

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Govt Code 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent agenda items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval.

When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item that has not been previously considered. However, the agenda need not provide an opportunity for public comment when the consent agenda item has previously been considered at an open meeting of a committee comprised exclusively of all the Board members provided that members of the public were afforded an opportunity to comment on the item at that meeting, unless the item has been substantially changed since the committee considered it. (Govt Code 54954.3)

Agenda Dissemination to Board Members

At least three days before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, citizens, and others; and other available documents pertinent to the meeting.

When special meetings are called, the Superintendent or designee shall make every effort to distribute the agenda and supporting materials to Board members as soon as possible before the meeting.

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Agenda Dissemination to Members of the Public

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Govt Code 54954.1)

If a document which relates to an open session agenda item of a regular Board meeting is distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the document available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board, provided the document is a public record under the Public Records Act. The Superintendent or designee may also post the document on the district's web site in a position and manner that makes it clear that the document relates to an agenda item for an upcoming meeting. (Govt Code 54957.5)

Any document prepared by the district or Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the Public Records Act. (Govt Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Govt Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Govt Code 54954.1)

Agenda/Meeting Materials

BB 9322(c)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Superintendent or designee, not to exceed the cost of providing the service.

BB 9323(a)

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 9:00 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date.

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

Provided the Board typically has seven members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall be not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5; Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5; Government Code 54954.2)
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)
5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed three minutes to address the Board on each agenda or nonagenda item. The Board shall limit the total time for public input on each item to 20 minutes. With Board consent, the Board president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

6. The Board president may rule on the appropriateness of a topic, subject to the following conditions:
 - a. If a topic would be suitably addressed at a later time, the Board president may indicate the time and place when it should be presented.
 - b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)
 - c. The Board shall not prohibit public criticism of district employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure.
7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the president to terminate the privilege of addressing the Board.

The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Superintendent or designee shall contact local law enforcement as necessary.

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

Meeting Conduct (continued)

BB 9323(c)

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

BB 9323.2(a)

The Governing Board shall act by a majority vote of all of the membership constituting the Board, unless otherwise required by law. (Education Code 35164)

An "action" by the Board means: (Government Code 54952.6)

2. A collective commitment or promise by a majority of the Board members to make a positive or negative decision
3. A vote by a majority of the Board members when sitting as the Board upon a motion, proposal, resolution, order, or ordinance

Actions taken by the Board in open session shall be recorded in the Board minutes. (Education Code 35145)

Action on Non-Agenda Items

After publicly identifying the item, the Board may take action on a subject not appearing on the posted meeting agenda under any of the following conditions: (Government Code 54954.2)

1. When a majority of the Board determines that an emergency situation exists, as defined for emergency meetings pursuant to Government Code 54956.5
2. When two-thirds of the members present, or if less than two-thirds of the members are present then by a unanimous vote of all members present, determine that the need to take immediate action came to the district's attention after the agenda was posted
3. When an item appeared on the agenda of, and was continued from, a meeting that occurred not more than five days earlier

Challenging Board Actions

The district attorney's office or any interested person may file an action in court to stop or prevent the Board's violation or threats of violations of the Brown Act, to determine the applicability of the Brown Act to ongoing or future threatened Board actions, to determine the validity, under California or federal law, of any Board rule or action to penalize any of its members or otherwise discourage the member's expression, or to compel the Board to audio record its closed sessions because of its violation of any applicable Government Code provision. (Government Code 54960)

The district attorney or any interested person may present a demand that the Board cure and correct a Board action which he/she alleges is in violation of law regarding any of the following: (Government Code 54960.1)

1. Open meeting and teleconferencing (Government Code 54953)
2. Agenda posting (Government Code 54954.2)

Actions By the Board (continued)

BB 9323.2(b)

Any demand to "cure and correct" an alleged violation shall clearly describe the challenged action and the nature of the alleged violation and shall be presented to the Board in writing within 90 days of the date when the action was taken. If the alleged violation concerns action taken in an open session but in violation of Government Code 54954.2 (agenda posting), the written demand must be made within 30 days of the date when the alleged action took place. (Government Code 54960.1)

Within 30 days of receiving the demand, the Board shall do one of the following: (Government Code 54960.1)

1. Cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct.
2. Determine not to cure or correct the alleged violation and inform the demanding party in writing of its decision to not cure or correct.
3. Take no action. If the Board takes no action within the 30-day review period, its inaction shall be considered a decision not to cure or correct the action.

In addition, the district attorney's office or any interested party may file an action in court to determine the applicability of the Brown Act to any past Board action not specified in Government Code 54960.1, if the following conditions are met: (Government Code 54960.2)

1. Within nine months of the alleged violation, a cease and desist letter is submitted to the Board, clearly describing the past Board action and the nature of the alleged violation.
2. The time for the Board to respond has expired and the Board has not provided an unconditional commitment to cease and desist from and not repeat the past action alleged to have violated the Brown Act.

Minutes and Recordings**

BB 9324(a)

The Governing Board recognizes that maintaining accurate minutes of Board meetings provides a record of Board actions for use by district staff and the public and helps foster public trust in Board governance.

The secretary of the Board shall keep minutes and record all official Board actions. The Board's minutes shall be public records and shall be made available to the public upon request. (Education Code 35145, 35163)

The minutes shall reflect which members are present and whether a member is not present for part of the meeting due to late arrival and/or early departure.

In order to ensure that the minutes are focused on Board action, the minutes shall include only a brief summary of the Board's discussion, but shall not include a verbatim record of the Board's discussion on each agenda topic or the names of Board members who made specific points during the discussion.

The minutes shall include the specific language of each motion and the names of the Board members who made and seconded the motion.

The minutes shall also report any action taken and the vote or abstention on that action of each member present. (Government Code 54953)

The minutes shall reflect the names of those individuals who comment during the meeting's public comment period as well as the topics they address.

The Superintendent or designee shall distribute a copy of the "unapproved" minutes of the previous meeting(s) with the agenda for the next regular meeting. The Board shall approve the minutes as circulated or with necessary amendments.

Upon approval by the Board, the minutes shall be signed by the Clerk of the Board.

Official Board minutes and recordings shall be stored in a secure location and shall be retained in accordance with law.

Any minutes or recordings kept for Board meetings held in closed session shall be kept separately from the minutes or recordings of regular and special meetings. Minutes or recordings of closed sessions are not public records. (Government Code 54957.2)

Recording or Broadcasting of Meetings

The district may tape, film, or broadcast any open Board meeting. The Board president shall announce that a recording or broadcasting is being made at the direction of the Board at the beginning of the meeting and, as practicable, the recorder or camera shall be placed in plain view of meeting participants.

Any district recording may be erased or destroyed 30 days after the meeting. Board Self-Evaluation**

BB 9400

The Governing Board shall annually conduct a self-evaluation in order to demonstrate accountability to the community and ensure that district governance effectively supports student achievement and the attainment of the district's vision and goals.

The evaluation may address any area of Board responsibility, including, but not limited to, Board performance in relation to vision setting, curriculum, personnel, finance, policy development, collective bargaining, community relations, and advocacy. The evaluation may also address objectives related to Board meeting operations, relationships among Board members, relationship with the Superintendent, understanding of Board and Superintendent roles and responsibilities, communication skills, or other governance or boardsmanship skills.

The Board shall evaluate itself as a whole. Individual Board members are also expected to use the evaluation process as an opportunity to assess and set goals for their own personal performance.

Each year, the Board, with assistance from the Superintendent, shall determine an evaluation method or instrument that measures key components of board responsibility and previously identified performance objectives. Visual and/or audio recordings of a Board meeting may only be used as an evaluation tool when consent is given by all Board members.

Any discussion involving the Board's self-evaluation shall be conducted in open session.

At the request of the Board, a facilitator may be used to assist with the evaluation process. The Board may invite the Superintendent or other individual(s) with pertinent information to provide input into the evaluation process.

Following the evaluation, the Board shall set goals, define and/or refine protocols, and establish priorities and objectives for the following year's evaluation. The Board shall also develop strategies for strengthening Board performance based on identified areas of need, including, but not limited to, Board trainings such as those offered by the California School Boards Association.
