Family Math Night

Yes, it is finally here! Family Math Night will be Thursday, April 26th from 6-7pm. After a couple of snow cancellations, we are excited to be able to host this fun-filled event. Come join us for the last family event of the school year.

2018-19 Online Student Registration

Henderson County Schools began student online registration for the 2018-19 school year on April 16, 2018.

All students planning to attend any Henderson County school must have an online registration completed by the parent/guardian. We encourage all parents/guardians to complete registration before MAY 17, 2018 to assist with classroom and class assignments

The primary parent/guardian of CURRENTLY enrolled students must log into their Infinite Campus Parent Portal account to complete online registration for all the students in the household, including a Thelma B Johnson preschooler, kindergartner or new to the household student.

Middle School families with school provided Chromebooks can use that device for online registration with the student's log on information.

Any primary parent/guardian of a student NEW to Henderson County schools without an Infinite Campus Parent Portal account set up, must go to the local school to complete registration and provide required new student forms.

There is more information available in the STUDENT REGISTRATION link found in the Quick Links box on any school's web page.

For assistance with Infinite Campus Parent Portal log-in, call 270-831-8759 or email OLR@HENDERSON.KYSCHOOLS.US.

Tri-Fest Relay Teams

Students and Staff participated in the annual Tri-fest Relays over the weekend. CONGRATULATIONS to our Cairo girls team who earned 1st place!

The teams were:

Girls: Taylor Duncan, Estelle Erbst, Kierstin Blosser, Callie Burnett, Jaelynn Blakeley, Madilyn Harmon, Emma Hutcheison, Whitney Mills

Boys: Westin Mills, Cayden Settle, Kylar Hayden, Michael David Settle, Wyatt Payne, Jack Dalton, Cole Branson, Dwaine Moss, Westin Blosser

Staff: Elizabeth O’Nan, Taryn Roberts, Erin Mills, Katie Baehl, Rachelle Erbst

Visitor sign-in

Every time you come to Cairo, please bring in your ID such as a driver’s license so it can be scanned into our ID system. We are happy to have visitors and volunteers in our building at Cairo. Our students and staff are very appreciative to have community members involved in our school. However, we also want our Cairo leaders to be safe. Thank you for helping us keep our children safe.

Got Grit?

Your student may have said something about Grit lately. We have been talking about it every day at Cairo school; what grit is, what it means to have grit, people who have grit. We have a grit cheer and Mrs. Holloman has been giving out grit (you can’t see it or touch it, but it’s there just ask her). It can be difficult to stay focused these last few weeks of school, so help your student by reminding them to have grit and “never give up!”

Summer Reading

Cairo will have Summer Reading and AR testing at the school on June 4th and 5th from 9am-2pm. You can come and go as you please or you can stay the whole time and have lunch with us. We will have reading logs you can turn in to Barnes and Nobel for a free book, and drawings for prizes each day.

We will also have AR testing at Henderson County Public Library this summer beginning June 1st. Students may take AR tests any time the public library is open. You DO NOT need a library card to take AR tests. There is NO paperwork to fill out. You just walk in and go to the children’s section (the door to the left past the restrooms). The points you earn over the summer will count toward your first marking period goal and your yearly total.

Get a jump on reading this summer!

Student absences

If your child will be absent from school, please call the office and inform them.

The school’s phone number is 270-533-1286

Transportation Change

If your child will have a change in transportation, please send a note to school with them stating that change. If there is a change in transportation during the day, please call with that change by **1:30** so we will have time to get the information to them.

We cannot guarantee students will get messages that are called in later than 1:30 pm.
