JISD

Dress Code

Students' dress reflects the quality of the school and affects students' conduct. Students shall be dressed and groomed in a manner that is clean, neat and that will not be a health or safety hazard to themselves or others.

Any article of clothing, jewelry, body decoration or hairstyle extreme enough to create a distraction or disturb the normal routine of school shall be deemed inappropriate.

The district prohibits any clothing or grooming that in the campus administrator's judgment may reasonably be expected to cause disruption of or interfere with normal school operations. If hygiene becomes a problem, the parent will be contacted. It is the responsibility of all school personnel to enforce the dress code.
