Dear Parent or Guardian,

The Hawaii Department of Education and Moanalua High School will begin using the SchoolMessenger notification service to send important information to families through phone calls, emails, and text messages.

To comply with wireless carrier requirements and protect against unsolicited text messages, you may receive a text message on the wireless cell phone number that the school has on file. This message will allow you to "opt-in" to receive important information through text messages from the Hawaii DOE and Moanalua High School via our new notification service. The text message invitation will be sent once beginning August 27 at 10:00 am.

The message you receive will come from our 'short code', 675-87 and read similar to the following:

"Hawaii Department of Education message. Reply Y to subscribe or STOP to cancel. Msg&data rates may apply. Msg freq varies. Visit [schoolmessenger.com/txt](http://schoolmessenger.com/txt) for info"

If you want to receive important messages from our school, we encourage you to reply with "Y" or "Yes" when you receive initial opt-in message. If you do not reply, you will not receive any further text messages from our school. Since this is a new and different service provider, previously subscribed numbers will not carry over. Please opt-in to the new service in order to continue to receive text message notifications.

You may opt out of all text messages from SchoolMessenger, by replying with "STOP" to the opt-in message that you receive. If you opt-in, but later decide to opt-out, simply send "STOP" to 67587, or you may also reply "STOP" to any message from our organization.

Please check with your wireless carrier for information about your mobile service plan and any possible charges related to text messaging. Our organization does not reimburse for any charges associated with sending or receiving text messages.

If you do not receive any text message invitations to OPT-IN on August 27, please contact our school registrar to update your contact information. The registrar may be reached at (808) 305-1023 or (808) 305-1024.

Mahalo nui loa,
