

# SANTIAGO HIGH SCHOOL

## High School Graduation Requirements:

Students need to complete a total of 220 credits by the end of 12<sup>th</sup> grade in order to graduate.

In addition to the required credits, students must also complete the following to meet CA State Graduation Requirements:

- Pass Algebra 1(Both semesters) *or* Pass Alg 1A SE **AND** Alg 1B SE.

You will earn credits by receiving a D- or better in your classes. If you do not meet all the graduation requirements, you will not receive your high school diploma.
