

Professional Learning Opportunities | Canvas LMS

2018-2019 School Year

These courses are all face-to-face, workshop-style courses that include hands-on support and built-in time for learning and application with. All content covered will be housed in these courses for on-demand access.

Check the Professional Learning Calendar for registration information and further details.

Jumpstart to Canvas

This face-to-face mini course is designed to pack a powerful punch of learning in a short period of time. Come and learn to quickly set up a basic course, spend time creating a home page, and learn how module structure can frame student learning.

Tuesday, September 4, 2018 3:45 - 5:00, ASC Tech Lab

Tuesday, January 15th, 2019 3:45 - 5:00, ASC Tech Lab

Canvas Application Workshops

This workshop includes three components focused on engaging students in deeper learning through Canvas: motivation, participation, and progression. This course is designed to be face-to-face and meets three times per year. Come to one or come to all. There will be time for learning and time for hands-on application in a supportive and collaborative environment.

1. Motivation- Motivate your students through interactivity and social learning.

Tuesday, October 2, 2018 3:45 - 5:00, ASC Tech Lab

2. Participation- Engage students in participating in compelling lessons and collaborative opportunities.

Tuesday, November 6, 2018 3:45 - 5:00, ASC Tech Lab

3. Progression- Learn about Canvas features that empower students in their learning; using data and tools to support students in progressing toward learning goals.

Tuesday, February 12, 2019 3:45 - 5:00, ASC Tech Lab

Canvas by Content

These face-to-face workshops will be led with vertical and content alignment in mind. Come learn and collaborate with teachers to experience how Canvas is used in the classroom. All content will be housed on a Canvas course for access and continued collaboration throughout the year.

- Locations at schools (to be determined)
- Target audience: 4-6th grades, 7-12 grades, any content area
