

Dear Parents and Guardians,

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Frost Elementary School. I am honored to have the opportunity to lead a school with such a rich tradition of education! I have been dedicated to the field of education for more than thirty-two years in Oak Grove School District. I am honored to bring my dedication and skills to Frost and look forward to being your partner in education.

Along with teachers and staff, I will work hard to continue the legacy of success established by Frost School by building strong relationships with parents, students, staff, and community partners. To implement our goal of increasing student achievement, we will focus on Common Core skills, standards-based/data-driven instruction, improved attendance, and positive behavior initiatives to provide consistent implementation of the curriculum in a rigorous and engaging manner.

Parent engagement is vital to a successful school. I encourage you to join and attend conferences, parent groups, and participate in as many school activities as possible. Children perform best when they see their parents/guardians in positive relationships with school staff.

All of us at Frost are eager and excited to begin what promises to be the best year ever. This year is going to be amazing as we continue to provide academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections. As your principal, it is important that everyone who steps through our doors - teachers, students, and parents-are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment.

I look forward to working with you as a team to help each student at Frost to meet their goals and have a successful school year!

Best Regards,

**Ms. Yolanda Ross
Principal
Earl Frost Elementary School
