

AIRPORT HIGH SCHOOL

ANNOUNCEMENTS 3-10-20

Attention Parents & Students: Airport Schools, along with all members of the Huron League, are making a huge push to increase sportsmanship at all athletic event, in particular, Huron League events. We are asking that our fans, coaches, players, and staff make their best efforts to be leaders in the charge to increase sportsmanship within our interscholastic athletic events. Here is the statement that will be read during all pre-games in order to help heighten the awareness of the need for increased sportsmanship league-wide. **1. We believe athletes should be competitive, sportsmanlike and excel academically. 2. We believe students in the stands should have fun, but not take the focus away from the game. 3. We believe coaches should act as teachers, helping student athletes develop while keeping high school sports in perspective. 4. We believe that parents should always be positive role models and be supportive of their child's decisions. 5. We believe officials commit their own time to high school sports and respect should always be shown and given to them. 6. The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the game. 7. The Huron League supports positive cheering- negative or personal chants will not be tolerated.**
