- (1) The School District's original estimated cost above is as specified in the resolution calling for the imposition of the Local Option Sales Tax. This estimate can not exceed the total amount expected to be received by that SPLOST.
- (2) The School District's current estimated cost for the projects includes all cost from project inception to completion.
- (3) The voters of Crisp County approved the imposition of a 1% sales tax to fund the above projects. Amounts expended for these projects may include sales tax proceeds, state, local property taxes and/or other funds over the life of the projects.
