

Jellick Elementary

Learning Plan, March 23-27

All Rowland Unified School District schools will continue school dismissal until May 5, 2020. We want to ensure that learning continues for our students, so we have created plans for your child to be engaged in learning. Please click the links below for enrichment assignments for your child.

Note that the week of March 30 is Spring Break. Stay tuned for student assignments for the week after which begins on April 6. Please check our school website www.jellickschool.org for regularly updated information. Phone calls sharing additional information will also be sent home using our "all call" system. Also, remember to check electronic message platforms from your child's teacher.

Thank you for giving time each day to your child to complete these activities to keep them engaged in learning. Your support is truly appreciated!

For grades 3-6 parents, if you did not pick up a Chromebook for your child and need one for home learning, please call (626)854-8543.
