
TIGER TERRITORY

September 2018

This Semester: L&S

Our Lead and Succeed classes offer students the opportunity to play authentic leadership roles and make decisions about the program. Lead and Succeed classes take place every Wednesday, beginning September 5th. This fall, students can participate in:

Cooking

Students will learn basic culinary techniques, write their own healthy recipes, and collaborate on a HK Cookbook!

Photography

The class serves to document all the exciting events and activities in Tiger Territory, and share their work with the community.

Leadership

This group of hard working students will help plan and facilitate Fun Fridays and incite school spirit wherever they go!

SEL

This group will strive to create that strong family environment in each class through peer mediation and counseling.

Welcome Back Tigers!

This year in After School, we have really spent time training and collaborating to create the best opportunities for our students to learn and have fun. We are very excited to be a part of such a great community, and I look forward to partnering with you to provide our students with a fun, engaging, and high-quality after school experience. Check out the About Us tab, we want to be able to share our vision for our program. We will be posting updates and news here monthly! Also, check out the news box near the office for Fun Friday announcements!

September Enrichment Classes

Monday, Tuesday, and Thursday, Tiger Territory offers standards based enrichment classes to all grade levels. Our enrichment classes are geared toward skill building, creativity, and mastery.

This month's theme:

TIGERology

Meteorology - the study of weather (K-3)

Zoology - the study of animals (K-4)

Sociology - the study of families (4-8)

Geology - the study of the Earth (5-8)

Updates

*The official sign out location is in the front office - this means that the phone in Room 10 cannot be answered once after school program starts. To contact ASP, please call the front office.

*We have a new tutor, Mr Orduna! He is a liberal arts major at Fresno State who is excited to bring new enrichment classes like Spanish, Guitar, and much more.

*The homework classes have changed. The classes grouped together are K-2, 3-4, 5-6, and 7-8.

*STEM is coming to Tiger Territory soon! From 4:50 to 5:20, students will be engaged in hands-on STEM challenges to keep the creativity going.

*I am excited to see what the rest of the school year has in store for us as a community, and I hope to meet you all soon! If you ever have any questions or concerns, feel free to call our office or email me.

Thank you,
