

Welcome to Transitional Kindergarten

I am grateful for any support from families to help us supplement our classroom programs by providing materials and supplies. Below you will find a list of items for TK that are a suggested donation. Please be assured that if you are not able to provide the items below, those necessary materials and supplies will be provided for your child's educational program.

These supplies will be used in our learning community and shared by all of our students, so there is no need to write names on the supplies. Thank you for bringing the supplies to your child's classroom the first day of TK if possible. Thank you for your support!
