FOR IMMEDIATE RELEASE

June 26, 2018

It is with great pride and excitement that Jacksonville ISD introduces Alicia Tennison as the new principal for West Side Elementary. Alicia and her husband, Randy, are both JISD alumni and have three children, Michaela, Calvin, and Madilyn. Mrs. Tennison will assume duties in her new administrative role in JISD for the 2018-19 school year.

Alicia just completed her 26th year in education and has a broad background of experience in education. She has been an accomplished music educator, a 2nd and 3rd grade classroom teacher, instructional coach, assistant principal, and most recently, the ESL Coordinator for JISD.

Mrs. Tennison states, "I am honored to be appointed to this position, and am looking forward to assisting the teachers, staff and students in making West Side Elementary the pride of Jacksonville ISD. The experiences and people I have met along my educational journey have and will continue to influence my path."

West Side Elementary is a No Excuses University campus and currently serves 460 students from Pre-K through 4th Grade. We congratulate Mrs. Tennison as she begins to serve in this leadership capacity and are proud to have her in the Jacksonville ISD family.
