## Ardmore students support 'Cards for the Troops'

Pictured are two students each representing 3rd, 4th, and 5th grade class at Ardmore School in Addison. Justin Roman, the DJ from radio station US99's morning show, is pictured in the back. On Tuesday, Nov. 27, Roman visited the school to pick up the more than 600 holiday cards that had been created by the students to support US99's Stylz & Roman's 10,000 for the Troops holiday card project. The radio hosts set a goal of collecting 10,000 cards to send to American service men and women who are stationed overseas.
