TACHS PREP
PROGRAM

St. John's Preparatory School will be offering 7 Review Classes for the TACHS Exam. We are very excited to be offering this opportunity to 7th and 8th grade students. These classes are taught by experienced St. John's Prep faculty members. The course will cover the math and English concepts covered on the TACHS exam as well test taking strategies. Students in the class will be given a diagnostic test as well as 2 timed tests to help students learning the pacing for the TACHS exam.

There will be opportunities for parents to meet with the Admissions Department and Administrators.

Students may register for the class by going on the school website www.stjohnsprepschool.org and clicking on the Admissions Tab and then the TACHS Prep Classes tab. Space is limited so please reserve your seat early!
