Lincoln Junior High students go to state conference

This year 24 Lincoln Junior High students attended the Texas Association of Student Councils (TASC) Middle Level State Conference in San Marcos.

On Friday, the students heard from keynote speaker Stu Cabe about building a positive school environment.

Saturday's activities included a variety of breakout sessions including school leadership, fundraising, and school spirit.

"The students were able to meet other leadership students from across the state and brought back some great ideas to start

implementing at LJH," said Sponsor Gabrielle Chimene-Moore.

She said the trip was great for student leaders because they gain knowledge and skills, and how to get out of their comfort zones.

"We look forward to going back next year!"

Lincoln Junior High Career Fair wowed the crowd

Lincoln Junior High students got a first-hand look at what it takes to do a variety of jobs at the LJH Career Fair on Dec. 1st.

Law enforcement and military officers, EMTs, chemical engineers, and more were there, but the biggest hit was the US Coast Guard helicopter rescue crew who flew in just for the occasion.
