### Principal's Message

La Fetra Elementary School is the largest of five elementary schools in the prestigious Glendora Unified School District. We take pride in the high standards for teaching and learning that have been established by our highly effective instructional and support staff. Our goal is for every student to experience academic and social growth within a nurturing school environment.

At La Fetra School, we value teamwork and work collaboratively with students, staff and families to support students in reaching academic goals. We are fortunate to have the outstanding support of our PTA and La Fetra School Foundation. Our PTA and Foundation support our educational goals through volunteerism, fundraising for field trips and educational assemblies, upgrading and maintaining our technology needs, and in the planning of special events and activities. PTA and foundation membership and support are vital to the continued success of our school.

We believe that all students can experience success in school and are dedicated to providing optimal learning opportunities for every child. Student recognition assemblies are integrated into our curriculum as a way of celebrating student academic success and fostering positive character development and school pride. As we focus on 21st Century Learning and dive deeper into the implementation of California State Standards, we continue to strive towards meeting and exceeding content area standards, while emphasizing the importance of strong character traits, like perseverance, responsibility and integrity. La Fetra Elementary School is known for its dedicated staff and academic excellence.

We are committed to preparing our students for college and careers by focusing on the essential skills - communication, critical thinking, creativity, collaboration, and character development. We have included pertinent information about La Fetra School that we hope you will find useful. If there is anything our team can do to support your child in his/her educational experience, please do not hesitate to contact us at (626) 852-4566 or mporcell@glendora.k12.ca.us.

We welcome you to our amazing school community. Come on in to see our Lion Pride!

Marie Porcell  
Principal

### Mission Statement

At La Fetra Elementary School, every member of the school community is committed to providing a challenging education that enables students to:

- respectfully demonstrate responsibility towards others.
- strive for a high level of individual academic achievement as determined by state and district standards.
- confidently reach their full potential as life-long learners and citizens.
- be independent thinkers with skills and ethics that support success in life.
- contribute productively to an ever-changing and diverse community.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (626) 852-4566 or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Sufficient standards-aligned textbooks and other instructional materials are available for each pupil, including English learners, and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, history/social science, foreign language, and health.

We will be piloting State approved Reading/Language Arts textbooks and instructional materials in 2016, with adoption anticipated in 2017.

### School Facility Conditions and Planned Improvements (Most Recent Year)

La Fetra was built in 1953 and has 32 classrooms, a resource room, a computer lab, a cafeteria, an administrative office, and a media center. The entire school was renovated in 2003 using Measure G funds. Our playground equipment and computer lab have been upgraded through financing from the La Fetra School Foundation, PTA, and the District.

The state requires districts to report general information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. Additional information about the condition of La Fetra may be obtained from the District Business Office. During the 2014-15 school year, the safety inspection was completed on October 1, 2015 and the findings are listed below.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

La Fetra is one of five elementary schools in the Glendora Unified School District. La Fetra serves the neighborhood between Barranca and Glendora Avenues.

La Fetra has an active PTA that provides strong support to the school programs including parent education programs, student recognition assemblies, cultural arts assemblies, field trips, and enrichment activities. Last year, PTA volunteers worked 16,126 hours. For additional information regarding parental involvement, please contact Lorena Acuna at (626) 852-4566.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

### School Safety Plan

A school/district safety plan, which addresses ten required areas, is evaluated annually and is available for review in the school office. Earthquake, disaster, lock-down, and fire drills are practiced regularly. For disaster preparedness, the PTA provides minimal food, water, equipment, sanitation, and medical supplies for up to 72 hours. A district-wide smog-alert plan is actively enforced.

Suspensions and Expulsions

Suspensions Rate	5.07	4.36	3.80
Expulsions Rate	0.13	0.10	0.09

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

#### Academic Counselors and Other Support Staff at this School

La Fetra utilizes the services of a district psychologist for testing, case studies, and intervention. A district nurse and a site-based LVN are also available for the students' health needs. Students are served by instructional aides in the classroom, a library technician, vocal and instrumental music teachers, and a physical education teacher. Identified students may participate in the district Gifted and Talented Education (GATE) Program. A speech/language pathologist is available to students who qualify for that program.

#### Professional Development provided for Teachers

Staff training is ongoing in the Glendora Unified School District. The district calendar includes one orientation day prior to the start of the school year in August and a staff development day in October. Staff development is ongoing and takes place throughout the year, by use of academic coaches, release time for teacher self-selected learning and collaboration, in-class coaching, and use of early-out and late-start days. Professional Development is planned by a joint committee of teachers and administrators, using student achievement and other data, including teacher needs assessments and state requirements.

#### Types of Services Funded

La Fetra School provides a Resource Specialist Program and Special Day Classes for students who qualify for Special Education. An intervention program for targeted K-5 students has also been implemented. Bilingual aides are available to support English language learning students. A breakfast and lunch program and a parent-financed Extended Day Care Program are offered on campus.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
