Corporal Punishment Permission Form**

The St. Landry Parish School Board authorizes the use of corporal punishment as a form of discipline. Corporal punishment is only administered by the principal or his designee. Corporal punishment will be used as a last resort to maintain order and discipline in the classroom, school, lunchroom, and all school sponsored activities.

If you do not wish corporal punishment to be used with your child, then it will be your responsibility to come to school and discipline your child immediately. Failure to do so will result in a suspension for the student. In order for all of our students to succeed, we must maintain an environment conducive to learning. Please complete this form and return to your child's homeroom teacher. If you have more than one child attending Park Vista Elementary, a form must be completed for each child.

Sincerely,

Ulyse Joubert
Principal
