### Principal's Message

I am very pleased to welcome you to the area and to the Cullen family. Cullen Elementary School prides itself on being a school where the staff, students, and parents work collaboratively as a team, continually evaluating programs to ensure that students are receiving the best possible education and developing into individuals with integrity. It is this team effort that also provides many additional opportunities for our students to experience a well rounded education

It is clear that we, as educators, both school and parents, must set high expectations for each student as well as ourselves in order to effectively foster an attitude of lifelong learning within each student and to maintain a high degree of excellence in education. These high expectations set both at school and at home, are most important for a child's success. Concurrently, we must also recognize that each child is an individual with unique abilities and needs. It is my hope that it is the intention of all faculty, staff, and parents of Cullen School to help each student appreciate his/her contributions and uniqueness while attaining high educational goals.

Seated at the base of the Foothills, Cullen, a California Distinguished School, is nestled within the neighborhood of central Glendora.

With your support, we will continue this pursuit of excellence and working together!

Cheryl Bonner, Ed.D.  
Principal

### Mission Statement

The mission of Cullen Elementary School is to provide each student with opportunities to reach his/her full potential as a lifelong learner through implementation of high academic standards, providing differentiated instruction to all students, in a safe and nurturing learning environment while maintaining strong home-school-community connections and promoting individual responsibility.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (626) 852-4593 or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Cullen was built in 1961 and has 28 classrooms, a cafeteria, an administrative office, a library media center, and a computer lab. In 2007-08, Cullen underwent modernization funded through Measure G. The modernization included wiring to better meet our technological needs, new windows and improved lighting, central air and heat, and new carpet and tile throughout the school. In addition, dropped ceilings were installed in all classrooms and the bathrooms were completely renovated. The facility is completely renovated to meet all ADA regulations.

School Facility Conditions and Improvements:

The state requires districts to report general information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. Additional information about the condition of Cullen may be obtained from 2014-15 school year, the safety inspection was completed on April 7, 2015 and the findings are listed below.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

Cullen School is one of five elementary schools in the Glendora Unified School District. Cullen serves the neighborhood between Glendora Avenue and Elwood Avenue.

Cullen School has an active PTA that provides varied enrichment activities. The PTA Board meets monthly and seeks the involvement of all parents and neighbors of Cullen School. Last year PTA volunteers worked over 12,316 hours helping at the school.

For additional information regarding parental involvement, please contact Betsie Ridenour at (626) 852-4593.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

### School Safety Plan

A school/district safety plan, which addresses ten required areas, is evaluated annually and is available for review in the school office. Earthquake, disaster, lock-down, and fire drills are practiced regularly. For disaster preparedness, the PTA provides minimal food, water, equipment, sanitation, and medical supplies for up to 72 hours. A district-wide smog-alert plan is actively enforced.

Suspensions and Expulsions

Suspensions Rate	5.07	4.36	3.80
Expulsions Rate	0.13	0.10	0.09

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

#### Academic Counselors and Other Support Staff at this School

Cullen utilizes the services of a district psychologist for testing, case studies, and intervention. A district nurse and a site-based LVN are also available for the students' health needs. Students are served by instructional aides in the classroom, a library technician, vocal and instrumental music teachers, and a physical education teacher. Identified students may participate in the district Gifted and Talented Education (GATE) Program. A speech/language pathologist is available to students who qualify for that program.

#### Professional Development provided for Teachers

Staff training is ongoing in the Glendora Unified School District. The district calendar includes one orientation day prior to the start of the school year in August and a staff development day in October. Staff development is ongoing and takes place throughout the year, by use of academic coaches, release time for teacher self-selected learning and collaboration, in-class coaching, and use of early-out and late-start days. Professional Development is planned by a joint committee of teachers and administrators, using student achievement and other data, including teacher needs assessments and state requirements.

#### Types of Services Funded

Cullen School provides a Resource Specialist Program and Special Day Classes for students who qualify for special Education. An intervention program for targeted K-5 students has also been implemented. Bilingual aides are available to support English language learning students. A breakfast and lunch program and a parent-financed Extended Day Care Program are offered on campus.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
