Pacific Collegiate School ("PCS") is accepting lottery applications for 2019-20 now through March 11, 2019!

PCS is a non-tuition public charter school open to any student in 7th through 12th grade seeking a rigorous college preparatory education. Admission to PCS is through a public, random lottery. The school is located at **3004 Mission St. in Santa Cruz.**

There are only two requirements to enter the PCS lottery:

- 1. Fill out an application at <https://pcslotteryapp.com/> by the deadline **March 11, 2019 at 3:30pm.****
- 2. Attend a pre-lottery information session.** Students are strongly encouraged to attend with a parent. Due to seating capacity an RSVP is required, at <https://pcslotteryapp.com/>

In addition to the main lottery, PCS also runs a **first-to-college admissions lottery** that allocates 15% of 7th grade seats for students who will be the first in their family to attend college. This lottery occurs prior to the main lottery; anyone not chosen in the first-to-college lottery is then entered in the main lottery as well.

The lottery will take place at 5:00pm on March 21, 2019. Attendance is not required. You will be emailed if your student receives a spot. You can log in and see where you are on the wait list after that date.
