April 3, 2020

Dear Harrah Families,

The Harrah Elementary staff want to tell you how much we miss welcoming your children each morning. The hallways are cold and quiet. This is not something we ever want to get used to.

We wish you all well and hope that you are able to stay healthy during this unprecedented time.

The teachers have been busy working on ways to help our Harrah students stay academically engaged in a variety of ways as we are not expected to return before the governor lifts the stay at home order which is currently set for May 4th.

We have planned what we call "Phase 1" which consisted of three parts:

1. Reaching out to all students for the purpose of simply connecting with them
2. Determine the technological needs of our families. Do families have access to the internet? What sorts of devices do they have at home?
3. The creation of "Choice Boards". This resource will allow families to continue with some active academic activities. The boards packet includes a board for each grade level and boards from specialists (K-3) and (4-6). One board packet per family will be distributed with meals on Friday April 3rd and the week of April 6th. You can also access the boards online on the districts website.

Please call Denise Byers (509-874-8610) for questions about meals and (509) 848-5739 to change your contact number for Harrah Elementary students. Someone will return your call in a timely manner.

Thank you for your patience and grace as we navigate these uncharted waters and remember...

...we miss you so very much and want you to know that you are loved.

-Harrah Elementary Staff
