

## **Ex-Men Service and Support Group High School Scholarship Program**

The Ex-Men are former high school band dads who formed a non-profit organization to support the PYLUSD band programs. Our mission is to provide support to the middle school and high school band programs and provide service in the form of volunteer work. One of the support functions of our group is providing a scholarship to a deserving El Dorado High School band or color guard student who is graduating and will be attending a college or university.

The applying band member must possess the values, traits and integrity needed to be successful in which ever field they chose to study. These qualities should be displayed by the student's work ethic as a member of the El Dorado band program. Those eligible will need to complete the application form and write an essay as to why they deserve the scholarship. Return both items to the Ex-Men for consideration and review by March 22, 2019. The forms can be mailed to "Ex-Men 5251 Cedarlawn Drive, Placentia, Ca 92870" or email the application and essay to [exmengroup@gmail.com](mailto:exmengroup@gmail.com).

The members of the Ex-Men Group look forward to providing this scholarship. The group will review each application and one applicant will be chosen.
