

ART CLUB

The Youngsville Academy Art Club is an after school organization that provides support and enrichment for those students seeking a creative outlet in addition to their academic schedule.

Our Art Club Objectives:

- To expose members to art related topics and activities above and beyond the classroom.
- To instill within members an active knowledge of professionalism in the field of visual art.
- To provide the setting for fellowship among members in relation to their unique creativity.
- To develop and promote an appreciation for visual arts within our school and community.

The Art Club will be offered to students 3rd-5th grade and will meet once a week on Tuesdays after school until 4:15pm. We are excited to be focusing on sculpting, 3D Imaging, and self expression through visual art during the 2019-2020 school year!

A \$10.00 fee is asked of each member to help purchase supplies for these projects.

Art Club Member Requirements:

- Must be able to attend weekly meetings.
- Must come with a teachable, respectful and creative attitude.
- Must be willing to work on projects at home and with others if necessary.
- Have a fun time!

It is such an honor to get to work with our young artists at YA! We cannot wait to get to know each one of our Art Club members!
