2016-2017 Online Pre-Registration Process:

ECISD parents will log in to Skyward Family Access and complete the **2016-2017 Online Pre-Registration** process for current ECISD students who will be enrolled in an ECISD school for the 2016-2017 school year. Parents will update important contact information, verify standard forms, and update health information *all online* for their child/children.

The Skyward Summary Page is Required for Campus Arena Registration in August 2016:

Once the 2016-2017 Online Pre-Registration process is completed and submitted online, parents will print the Skyward Summary Page indicating that all online registration steps have been completed. Parents will turn the Skyward Summary Page in to a campus representative at the Campus Arena Registration required for all students and parents in August 2016. We are working to continue enhancing the online process we use to keep your student and family information updated and current.
